About the Novel: *The Color Purple* is the Pulitzer Prize-winning story about female African Americans in 1930s southern United States. The story follows Celie, a young girl who begins writing letters to God after her father's abuse. She is forced into a marriage with Mr. Johnson after her father impregnates her twice, presumably killing both children. Celie continues living a life of obedience when she is exposed to Sofia's defiance of Mr. Johnson and his son's attempts to submit her. This results in Sofia moving out and taking her children with her. Meanwhile, Celie grows close to her husband's ill mistress, becoming confused over her feelings for the woman. The story progresses with Celie learning the truth about herself and her troubled past.
