Lyman Tower SARGENT, 1972 *Dogmas and Dreams: A Reader In Modern Political Ideologies, 3rd Edition* Nancy S Love, 2006 Ideologies legitimize politics outline basic values socialize individuals facilitate communication and mobilize people in short their study makes for a great entry into the study of political theory and the discipline of political science A source both of stability and instability concord and conflict the ideologies explored in this anthology show the dynamics of politics through the study of ideas With 18 of 49 selections new to this edition Dogmas and Dreams signals a renewed emphasis on political ideologies showing how public discourse for better or for worse reflects the complexity and chaos of an increasingly global world With Nancy Love's concise and insightful introductions original selections by influential thinkers challenge students to question their political convictions and thus discover and explore their own political beliefs

Consciousness and the Neoliberal Subject Jon Bailes, 2020-04-08 Consciousness and the Neoliberal Subject outlines a theory of ideological function and a range of ideological positions according to which individuals rationalise and accept socio economic conditions in advanced consumer capitalist societies Through a critical examination of the social and psychoanalytic theories of Herbert Marcuse Fredric Jameson and Slavoj Žižek the author extends the understanding of ideology to consider not only the unconscious attachment to social relations but also the importance of conscious rationalisation in sustaining ideologies In this way the book defines different ideologies today in terms of the manner in which they conditionally internalise a dominant neoliberal rationality and considers the possibility that entrenched social norms may be challenged directly through conscious engagement It will appeal to scholars of social and political theory with interests in ideology neoliberalism psychoanalytic thought and critical theory [Contemporary Political Ideologies](#) Lyman Tower Sargent, 1969 [Ideological Fixation](#) Azar Gat, 2022-10-04 Ideological divides and clashes have reemerged with great intensity throughout the world In the United States they have become particularly venomous Each side in America's escalating ideological civil war charges the other with concocting fake news and alternative facts The other side is widely

viewed as malicious irrational or downright stupid and often as barely legitimate People are deaf to claims about reality that come from the opposite camp no matter how valid they might be In exploring this phenomenon the book combines insights from evolutionary psychology regarding the nature of some of our deepest proclivities with a broad sweep through history It proceeds from the Stone Age to the rise of civilization the great religions and modernity to a critique of fundamental factual premises that underlie some of the major debates dominating today s liberal democracies not least the United States
