In order for you and your submissive lady to fit one another and create a lasting happy union, there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read *50 Shades of Grey* and decided to try it herself. She will need to be trained for the best relationship to emerge. Dom's Guide to Submissive Training was specifically written for doms/masters. It is designed to provide you with a step-by-step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony, including advanced techniques/tips. Training can be one of the most exciting, challenging, and fun parts of the relationship. A well-trained sub will not only serve you in the capacity you deserve but will have built up the two most important elements in any BDSM relationship: trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master who is in control, experienced, and able to guide you both to the best possible life. *A Perfect Dom's Guide to BDSM Relationships* Mistress Dede,2016 This is a step-by-step guide for dominants who want to train their submissives the right way. Submissive training is only effective when you have the right techniques to do it. So if you are a master or dominant who is currently in a BDSM relationship, you can get helpful tips from this eBook. Learn the best way on how to keep your submissive happy and contented with anything you give them. Understanding and implementing the BDSM lifestyle can be hard when you don't have the right support. If you simply want to know more about dominant/submissive relationship, this is the best solution for you. Know and identify your desires and get the pleasure that you always deserve from this rare connection. Owning and helping a consensual slave is not that easy because you need knowledge in training them to act like one. The rules should be strictly implemented once the submissive agrees to the contract. However, there will be punishments when a rule is broken intentionally or not. This is why it's very important that you educate your consensual slave with all the necessary details as they will be held responsible for every act that they do. The terms consensual, sane, and safe are actually the keystones of carefully practicing such a lifestyle. **BDSM Guide** Tim Stoic,2019-07-25 **Bdsm** Pamela Schreiber,2021-05-28 55% OFF for Bookstores You have been drawn to the world of BDSM but searching for one book to give you an overview of both Dominance and Submission.
