## **Duh Fried Zombified:**

Duh, Fried & Zombified Ryan Miller, 2015-01-22 Ryan Miller's *Duh Fried Zombified* is a dark humor horror novella chronicling the desperate plight of two young boys who believe they have unleashed a ravenous horde of killer zombies all because they didn't hold their breath while passing a graveyard. The boys live with their ornery widower great grandpa due to the fact that their father was never around and their mother died in a car wreck a few years prior. Together the boys fight to stay alive while trying to undo the gruesome zombie plague which they fear they've caused. The manuscript was originally published by MuseItUp Publishing Canada. After a productive three year contract the rights have now reverted back to the author and the tale has been revamped and repackaged.

**The Art of Eating Through the Zombie Apocalypse** Lauren Wilson, 2014-10-28 Just because the undead's taste buds are atrophying doesn't mean yours have to. You duck into the safest looking abandoned house you can find and hold your breath as you listen for the approaching zombie horde you've been running from all day. You hear a gurgling sound. Is it the undead? No, it's your stomach. When the zombie apocalypse tears down life and society as we know it, it will mean no more take out, no more brightly lit immaculately organized aisles of food just waiting to be plucked effortlessly off the shelves. No more trips down to the local farmers market. No more microwaved meals in front of the TV or intimate dinner parties. No when the undead rise, eating will be hard and doing it successfully will become an art. *The Art of Eating through the Zombie Apocalypse* is a cookbook and culinary field guide for the busy z-poc survivor. With more than 80 recipes from Overnight of the Living Dead, French Toast, and It's Not Easy Growing Greens Salad to Down Out Sauerkraut, Honey Blackberry Mead, and Twinkie Trifle, scads of gastronomic survival tips, and dozens of diagrams and illustrations that help you scavenge, forage, and improvise your way to an artful post-apocalypse meal. *The Art of Eating* is the ideal handbook for efficient food sourcing and inventive meal preparation in the event of an undead uprising. Whether you decide to hole up in your own home or bug out into the wilderness, whether you prefer to scavenge the dregs of society or try your hand at apocalyptic agriculture, and regardless of your level of skill or preparation, *The Art of Eating* will help you navigate the wasteland and make the most of what you eat.
