The Mistress in Control Veronica Milan,2020-11-16

From childhood onwards females are encouraged into subservient roles so that taking the lead can feel strange and unnatural even unfeminine and not nice We are discouraged from aggressively grabbing what we want and instead encouraged to sacrifice and nurture We are taught to be prizes not competitors Surely there has to be more to life than that Many men the ones who value assertiveness and even a little cruelty in their female lovers would agree Men are ready to be dominated owned and used by the strictest most sensual and cruelest women The subservient slaves get put in their places and then punished in a variety of naughty ways until they understand their place This book is a rich resource of ideas for the woman who wants to embark upon FemDom journey with her man and is hungry for new kinky territory to conquer and in this guide you ll learn practical steps towards becoming a professional dominatrix Much of what is depicted about BDSM and

the lifestyle is wrong Our opinions on this lifestyle and art form are often times shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths The truth is that BDSM is not degrading towards women One of the most common misconceptions surrounding a woman taking a dominant role is the assumption that she needs to be a display cruel behavior towards others for the sake of her own gain or pleasure and without consideration for their safety or well being it s not surprising that any woman would feel reluctant to adopt this role in her relationship Taking the lead in bed doesn t mean being a sadist or demeaning your partner It doesn t mean you have to change who you are You re simply connecting with a powerful side of yourself that was always there and sharing it with a person who wants to make you happy It s about closeness and connection not cruelty FemDoms are to lead and not follow be confident and be yourself say what you mean and be attractive A Warning for the Man Men in Her Life this book will teach your partner how to be more dominant controlling learn how to train you learn how to punish you and hold you accountable for your actions if you buy this book for her you might get more than you asked for You may want to quietly set it aside and buy her a set of fuzzy handcuffs instead You have been warned **BDSM Primer** Elizabeth Cramer,2015-03-03 BDSM is a whole different world where people speak in their own formal and informal language have rules and social norms and create expectations based on everything from names to symbols you employ As a sex educator and an active member in the BDSM community I found most information floating around to be inaccurate and some even unhealthy As a primer this guide will demystify the world of BDSM and present it in a straightforward and easy to understand way to you This guide is more than just a list of who and what It is a map that will take you into the heart of the BDSM lifestyle explore the motivations and expectations and offer suggestions for the safe and sensual journey you are undertaking In **BDSM Primer for Women** you will learn The vocabulary roles and rituals The reasons you may want to participate in this lifestyle Ways and places to get started Safety concerns and legal issues Emotions consequences and actions What actions meet what needs What kinds of fetishes meet what kinds of needs How to communicate healthfully How to create your sexual self And much more **Submissive's Guide To BDSM Vol. 2** Matthew Larocco,2016-06-07 Being a sub means this BDSM game is really all about your pleasure The Dom s goal is to provide you with the pleasure you crave and send you to a higher level of eroticism through very intensive sessions of bondage discipline sadism and masochism During volume 1 we talked about trust finding a Dom you can trust and one that meets your high standards In this book we are going to explain how you as a sub can develop a criteria for your Dom and ensure that each session is going to be enjoyable Here are just some of the things you will discover in volume 2 of **Submissive's Guide To BDSM** What is your Ideal Scene How and what you should tell your Dom when he creates the scene How to create a mutually beneficial relationship with your Dom Etiquette on being a sub for the first time How to enjoy the pain as a sub How to work with multiple Doms How to reach a whole zenith of pleasure How to make your vanilla spouse enjoy BDSM with you And much more
