Dwu Application Form 2015

**Leticia Saucedo, Robyn Magalit
Rodriguez**

Dwu Application Form 2015:

Race, Gender and Contemporary International Labor Migration Regimes Leticia Saucedo, Robyn Magalit Rodriguez, 2022-12-13 Migrant workers around the world are subject to exploitative labor practices that give employers extraordinary bargaining power. This book brings together researchers, practitioners, and advocates who explore the many ways that contracted migrant workers are rendered vulnerable in the workplace. In this book, the term 21st century coolie is deployed as a heuristic device that foregrounds the deeply unequal structures shaping the transnational flows of short-term migrant workers. The term coolie harkens back to the labor arrangements of earlier centuries that involved conscripted labor, indentured servitude, and contract labor across national borders. Like those of past centuries, today's coolies are subject to legal constraints inside and outside the employment relationship that force them into subjugated positions within the workplace.
