Dynamic Christian Living Frank Hamrick, 2017      **Dynamic Christian Living** Gordon Dickson, Frank Hamrick, 1994-01-01 Middle School Bible Curriculum Teacher s Manual      *Dynamic Christian Living Teacher's Manual* champ Thornton, Frank Hamrick, 2008-01-01 Teaches students about God through the stories and activities centered around the lives of major Bible characters Designed to challenge the student s heart and his head      **Dynamic Christian Living** Gordon Dickson, 1994 This book is divided into five sections each dealing with one of the five Christian dynamics Birth salvation this is a series of four studies on new birth Growth the Bible this is a series of eight lessons on the Word of God Breath prayer this is a series of eight lessons on the power of prayer Communication witnessing this is a series of seven lessons on the importance and methods of sharing Christ with the lost and Behavior daily living this is a series of eight lessons on the proper Christian conduct in the home on dates and at amusements If you take this study seriously you will find that it will become a great source of blessing and will bring you to a place of real Christian maturity Foreword      *Dynamic Christian Living* James E. Stone, 1989      **Discovery! Basic Principles for Dynamic Christian Living in 5 Lessons** Discipleship Counseling Services, 1980      **Dynamic Christian Living** Harold L. Lundquist, 2014-10-15 Therefore being justified by faith we have peace with God through our Lord Jesus Christ Romans 5 1 SALVATION through faith in CHRIST as personal Saviour is the only way into the Christian life We enter that way or we do not enter at all Therefore there could be no more suitable subject with which to begin our study of the Christian life The obvious corollary of that fact is that we must be eager and diligent about facing men squarely with their need of CHRIST and necessity of making a decision for Him If anyone has read this far who is not a Christian we urge an immediate turning to CHRIST in repentance and faith Then you too may have the joy of living for CHRIST and of winning others to Him Men and women are making decisions for CHRIST in these days On the street in the Church in Sunday School at college in evangelistic meetings in young people s conferences everywhere they are turning to Him The numbers may not be great in each place but together they make up the great host of the newborn of the kingdom of GOD For a number of years the writer has had the privilege of sharing in a young people s conference or retreat It was planned as a training and inspirational gathering for church young peoples leaders But the invitation is always given to those who might be present who had never made a definite decision for CHRIST With evident sincerity and determination a dozen or more young people in a recent conference made an out and out decision to follow CHRIST and then and there made an open confession of their faith Many others indicated their purpose of giving their lives in service for Him if He should so lead This we are glad to say happens year after year After more than twenty eight years without a city wide evangelistic campaign a group of ministers and Christian business men in Chicago arranged for such a gathering and while the attendance was not as large as had been expected the decisions totaled more than those in the last previous campaign which was a great and successful meeting conducted by Billy Sunday on Chicago s lake front many years

ago There was in this recent campaign for souls an evident spirit of conviction and a desire to find the Lord and His grace This was true of many older people a significant fact The world is getting further and further from GOD that seems to be self evident but there are those even now who are ready to seek Him if they are faced with the privilege of power and the challenge of the Gospel The point we must always bear in mind is that many young men and women yes and older men and women as well are waiting for an opportunity to make a confession of CHRIST if we make it possible and present Him in all His winsome attractiveness We feel that our series of studies begins right with a study of the personal spiritual life then the family life and finally the Church The order is a natural one for Christian faith is primarily personal never simply a matter of family connection or church membership However salvation quickly shows its reality in the divinely established relationships of the home and then moves out into the wider fellowship of service in the church The family comes before the church both in natural order and in importance Let us ever keep that in mind One of the important developments of recent years has been that family life has lost so much of its finest meaning Parents have tried to shift the responsibilities for the training and guidance of their children to the public schools and to the Sunday Schools Many of these important institutions are doing their best to help boys and girls but they cannot replace the home The home must come first in the rearing of a child in the fear and admonition of the Lord yes we would place it even before the church
