Unofficial Practice Questions for the Certified Professional Photographer Exam Mike Yu,ExamREVIEW,2021-11-15 The
 Certified Professional Photographer CPP exam aims to assure potential clients of a photographer s knowledge experience and
 ability to develop new skills and techniques Each CPP exam is comprised of multiple choice questions that are quite technical
 oriented 70 questions are included in this book We create these self practice test questions module referencing the concepts
 and principles currently valid in the exam Each question comes with an answer and a short explanation which aids you in
 seeking further study information For purpose of exam readiness drilling this product includes questions that have varying
 numbers of choices Some have 2 while some have 5 or 6 We want to make sure these questions are tough enough to really
 test your readiness and draw your focus to the weak areas Think of these as challenges presented to you so to assess your
 comprehension of the subject matters The goal is to reinforce learning to validate successful transference of knowledge and
 to identify areas of weakness that require remediation **Directory of Selected National Testing Programs** Educational
