

Book

Author, A. A., & Author, B. B. (Copyright Year). Title of the book (7th ed.).

Publisher. DOI or URL

Insert names so that the last name comes first, followed by a comma and the initials. Leave a space between initials. Retain the order of authors' names.

Place the copyright year in parentheses. End with a period.

Capitalize only the first letter of the first word. For a two-part title, capitalize the first word of the second part of the title. Also capitalize proper nouns. Italicize the title. End with a period.

Include the name of the publisher, followed by a period. Do not include the publisher location. **Are there multiple publishers?** If so, separate them with a semicolon.

Does the book have a DOI? Include a DOI if available. Do not include a URL or database information for works from academic research databases. Include a URL for e-books from other websites. Do not put a period after the DOI or URL.

Does the book have an edition or volume number? If so, include the number in parentheses after the title but before the period. If both, show edition first and volume second, separated by a comma. Do not put a period between the title and the parenthetical information.

The Abcs of Apa Style Beth Lee, 2017-08-30 Very few students and even professionals know how to write using

American Psychological Association Style You are not the only one Beth Lee knows this to be true because she has been teaching APA style for more than a dozen years Shes accustomed to hearing students say things such as What is APA How do I use it Cant I just use MLA The reality is that many professors instructors and professions insist on using APA Style In this guide youll learn how to take down information to make citing easier look up information in style guides memorize the most important rules and avoid the most common mistakes While it would be easy to copy and paste web addresses into essays and academic papers that is not how APA Style works If you dont know the rules your writing wont be taken as seriously and if youre in school your marks will suffer Once you understand the main elements of APA style youll be equipped to use more complex style guides and reference materials Bolster your academic writing today with lessons in The ABCs of APA Style

Doing Honest Work in College Charles Lipson, 2013-04-01 Since its publication in 2004 Doing Honest Work in College has become an integral part of academic integrity and first year experience programs across the country This helpful guide explains the principles of academic integrity in a clear straightforward way and shows students how to apply them in all academic situations from paper writing and independent research to study groups and lab work Teachers can use this book to open a discussion with their students about these difficult issues Students will find a trusted resource for citation help whether they are studying comparative literature or computer science Every major reference style is represented Most important of all many universities that adopt this book report a reduction in cheating and plagiarism on campus For this second edition Charles Lipson has updated hundreds of examples and included many new media sources There is now a full chapter on how to take good notes and use them properly in papers and assignments The extensive list of citation styles incorporates guidelines from the American Anthropological Association The result is the definitive resource on academic integrity that students can use every day Georgetown s entering class will discover that we actually have given them what we expect will be a very useful book Doing Honest Work in College It will be one of the first things students see on their residence hall desks when they move in and we hope they will realize how important the topic is James J O Donnell Provost Georgetown University A useful book to keep on your reference shelf Bonita L Wilcox English Leadership Quarterly

presented in very technical terms that are not easy to understand This handbook presents the same information in simplified terms with images and step by step instructions in ways that make sense to both native and non native English speaking student writers Additionally student writers often struggle with understanding the concept of plagiarism as well as how to find sources evaluate the appropriateness of sources and use sources in effective ways e g how to integrate quotes when to paraphrase among others This book provides this important information that is concise and easy to understand NOTE This is a REVISED edition of our original The Concise APA Handbook which has been updated for APA 7th edition which was issued in the fall 2019
