Protection of Assets Michael E. Knoke,2004-01-01 This comprehensive source covers all aspects of physical security including access control training employee awareness internal and external theft and fraud security and civil law investigations ethics alcohol and drug abuse and more The four volume Manual is intended for a wide readership All business managers and protection professionals with an assets protection responsibility will find this information pertinent in each subject area and helpful in effectively tackling critical security issues and organizing special research projects Of particular significance are the various forms matrices and checklists that help give the reader a practical start toward application of the security theory relative to a specific situation This manual also serves as a central library reference for students pursuing a program in security or assets protection **Moody's International Manual** ,1998 *Mergent Moody's Industrial Manual* ,1999 *CPCU Journal* Society of Chartered Property and Casualty Underwriters,1985 **Public Crime-civil Justice** Wilbur Lewis Rykert,1990 Asset Protection Manual Michael Scott Ioane, Sr.,2014-05-21 We inhabit a time in which our rights and freedoms are under assault Of these our liberty to own and control property as assets is one of the most frequently attacked Commonly this is performed through the abuse of existing laws and systems Trivial lawsuits and excessive judgments have become commonplace and rampant transforming the judicial system to an instrument of wealth redistribution It is alarming that our properties are under threat from the government through its misuse of power and disregard of due process There is also the possibility and high probability of governmental administrative error In 1997 the General Accounting Office determined that almost 50% of all Internal Revenue Service IRS letters sent to taxpayers contained wrong information Tax penalties about 1 5 million of them were mistakenly assessed in 1998 What this means is that an IRS agent can commit an administrative error for which you will be forced to pay for fear that your assets would be confiscated This is why you need an asset protection program This is why you need this manual This manual will ease you

into the world of asset protection It provides you with what you must know the basics of this means of defense It describes what you may find useful in the creation and implementation of a program designed for your needs Be reminded however that this is not a do it yourself book It is designed to be an educational resource to complement consultation with a local lawyer and the services offered by Acacia Business Solutions Realize that asset protection is complicated with legal and tax issues Also another person s program may not be applicable to your needs For those reasons any decision you make related to asset protection should not be based only upon what you read here it must be made in consultation with expert professionals **The Computer & Internet Fraud Manual** Association of Certified Fraud Examiners, Inc,2007
