Beyond Ukraine Aldo Ferrari,2017-07-20 During the last 15 years Putin s policies have produced a number of controversial effects both at the international and domestic levels some diplomatic results and unresolved regional conflicts In foreign policy he accordingly launched the idea of a Greater Europe To this aim and with the view to highlighting the goodwill of the Russian government to enhance cooperation with the European Union as a pro active and equal partner Sooner than expected political divergences and vital interests emerged As a result the Greater Europe project was progressively frozen if not plainly abandoned However the EU Russia joint attempts to solve the Ukrainian crises which were undertaken during the Normandy Four meetings Germany France Russia Ukraine resulted in signing the weak but still important Minsk agreements This helps to prove that there is still room for cooperation between the two sides These agreements may hopefully set the stage for a more comprehensive deal aiming to close the gap between the EU s and Russia s competing visions

International Broadcasting and Its Contested Role in Australian Statecraft Geoff

Heriot,2023-03-14 This book offers an insightful reappraisal of international broadcasting as discursive rather than soft power in service of democratic statecraft This at a time when issues of transnational media the credibility of news and the perils of disinformation and information warfare figure worryingly in public discourse Reflecting the perspective of middle power Australia author Geoff Heriot locates the strategic utility of multiplatform international broadcasting with reference to contemporary theories of soft hard smart power projection and intercultural communication He applies a fresh model of strategic analysis to the political history of Radio Australia examining the various external and internal variables that resulted in its flawed success in political communication during the late Cold War period

The Friction Project Robert I.

Sutton,Huggy Rao,2024-01-30 The definitive guide to eliminating the forces that make it harder more complicated or downright impossible to get things done in organizations Find out why Adam Grant says If every leader took the ideas in this book seriously the world would be a less miserable more productive place Every organization is plagued by destructive friction Yet some forms of friction are incredibly useful and leaders who attempt to improve workplace efficiency often make things even worse Drawing from seven years of hands on research *The Friction Project* by bestselling authors Robert I Sutton and Huggy Rao teaches readers how to become friction fixers Sutton and Rao kick off the book by unpacking how skilled friction fixers think and act like trustees of others time They provide friction forensics to help readers identify where to avert and repair bad organizational friction and where to maintain and inject good friction Then their help pyramid shows how friction fixers do their work from reframing friction troubles they can t fix right now so they feel less threatening to designing and repairing organizations The heart of the book digs into the causes and solutions for five of the most common and

damaging friction troubles oblivious leaders addition sickness broken connections jargon monoxide and fast and frenzied people and teams Sound familiar Sutton and Rao are here to help They wrap things up with lessons for leading your own friction project including linking little things to big things the power of civility caring and love for propelling designs and repairs and embracing the mess that is an inevitable part of the process while still trying to clean it up God Doesn't Live Here Anymore Michael Wood Daly,2023-01-16 The church in Canada is in trouble Media reports suggest that nine thousand churches are likely to close over the next ten years The United Church of Canada reports closing a congregation a week The Anglican Church of Canada anticipates closing its last congregation by 2040 and the Roman Catholic Church Canada s largest religious denomination reports having closed one fifth of the tradition s 2 500 congregations God Doesn t Live Here Anymore traces the story of the church in Canada from its far off historical roots in biblical times rise to dominance in medieval Europe role in the colonization of Canada strained relations with Canada s First Nations twentieth century prominence and the church s dramatic decline and loss of influence entering the twenty first century Wood Daly pulls no punches in calling the church to accept responsibility for its own decline while maintaining hope that resurrection is still possible The church as Canadians may know it might disappear but for Christians death has never been the end of the story

Churchill's German Spy David Tremain,2023-12-21 Compared to many of MI5 s other double agents HARLEQUIN s career was very short lived lasting only for a few months in 1943 However during that time he provided insights into the various parties involved in the Appeasement process in 1938 the Czech crisis of 1939 the enterprises of a Franco American businessman who hosted the Duke and Duchess of Windsor s marriage in France the espionage activities of an aristocratic German family Admiral Canaris the head of the Abwehr many of the Abwehr s personalities with whom he had come into contact or had known about and the agents he employed as well as relations between the disparate organisations of the German intelligence services the Abwehr Gestapo and Sicherheitsdienst SD the intelligence arm of the SS Furthermore he revealed the German Armistice Commission s involvement in espionage and their links to the Abwehr MI5 shared this intelligence with the FBI and the Office of Strategic Services OSS before HARLEQUIN requested that he be returned to American custody where he remained for the rest of the war His effectiveness as a double agent will be examined using newly released official files as a primary source

Ebooksdecomnquestion Papers An Memo 24html: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ebooksdecomnquestion Papers An Memo 24html : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
