

Unit 1: The Researched Essay

Part 1: Stimulating Ideas

Exercise 2 B (pp. 4–5)

1. To achieve this goal, I focused on three points: the content of my essays, correct grammar, and advanced-level vocabulary.

The three points are content, grammar, and advanced-level vocabulary.

2. Body paragraph 1 focuses on essay content.
3. Body paragraph 2 focuses on grammar.
4. Body paragraph 3 focuses on vocabulary.
5. The writer has become more confident and realizes the importance of academic writing skills.

Exercise 3 (p. 6)

Answers will vary.

1. Hook: Today there are more social networking accounts than there are people on the planet.

It gives the readers a sense of the enormity of social networking, which they probably participate in themselves.

2. Social networking allows people to share ideas with friends and family everywhere. It connects people in ways that were never possible in the past. By showing how widespread networking is, readers become more aware of the importance of being cautious.

3. Still, users of these sites should be cautious. Social media can be dangerous. The essay will be about how one can protect oneself from the dangers of social media.

4. the dangers of social networking
5. the need to be careful when using social media

Exercise 4 (p. 7)

Answers will vary.

Body Paragraph 1

1. I discovered that the content of the writing required for my college courses was different from the content I had used in high school.

Dynamics of Effective

Secondary Teaching ,2004 Dynamics of Effective Secondary Teaching integrates theory and research with current classroom practice to help future and in service secondary teachers make instructional and management decisions for the purpose of improving instruction Realistic scenarios numerous examples and illustrations from all subject areas classroom observation forms and valuable websites are what makes this text so practical providing preservice teachers a direct link to classroom practice As with previous editions the major feature of this book is the authors emphasis on decision making as the thread that links all the topics together Decision making is introduced in Chapter 1 as a process fundamental to educators and is revisited to enforce the application in each chapter The authors view of decision making considers it from a constructivist view of teaching and learning based on reflection and meaning making Unique to this book is the inclusion in each chapter of a scenario in which a middle or secondary school teacher representing a wide range of subject areas and grade levels applies key ideas to the classroom These scenarios which appear near the beginning of each chapter are referred to and analyzed throughout the chapter to provide a running commentary on the theoretical content being presented Stanford Bulletin ,2006
