Cool Deliberate Courage American Revolution:

Cool Deliberate Courage Jim Piecuch, John Herbert Beakes, 2008 **American Revolution** Spencer C.

Tucker, 2018-09-14 With more than 1 300 cross referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes course and consequences of the war and the political social and military origins of the nation This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775 1783 but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early American Republic Volumes one through four contain a series of overview essays on the causes course and consequences of the American Revolution followed by impeccably researched A Z entries that address the full spectrum of political social and military matters that arose from the conflict Each entry is cross referenced to other entries and also lists books for further reading In addition there is a detailed bibliography timeline and glossary A fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States **Backcountry Revolutionary** William T. Graves, 2012-12 Biography of Col James Williams 1740 1780 the highest ranking officer who died from wounds suffered at the Battle of Kings Mountain October 7 1780 during the American Revolutionary War **Sons of the Father** Robert M. S. McDonald, 2013-09-24 Whether acting as a military officer or civilian officeholder George Washington did not possess a reputation for glad handing easy confidences or even much warmth His greatest attributes as a commander might well have been his firm command over his own emotions and the way in which he held himself above if not apart from the men he led Understanding the full range of Washington s leadership which embraced all shades of persuasion and coercion as well as multiple modes of command and solicitude requires the examination of his influence on the lives careers and characters of the members of a diverse fraternity of younger men In Sons of the Father leading scholars analyze Washington s relationships with men such as Daniel Morgan Anthony Wayne Thomas Jefferson James Monroe Henry Knox Nathanael Greene Gouverneur Morris Alexander Hamilton and the Marquis de Lafayette The men on whom this volume focuses were not all his closest associates Yet all are important figures in that their interactions with Washington provide glimpses into various aspects of his capacities for management motivation control and the cultivation of talent The essays in this volume demonstrate Washington s consistency in treating all these men differently for different reasons at different times It was perhaps part of his genius to recognize the individuality of the men with whom he interacted as well as the shifting requirements of changing circumstances Contributors Fred Anderson University of Colorado Boulder Theodore J Crackel University of Virginia William M Ferraro University of Virginia Jack P Greene Johns Hopkins University John W Hall

Washington and the Generals of the American Revolution Rufus Wilmot Griswold, 1885

Reporting the Revolution Todd Andrlik, 2012-11 This is you are there history at its best Reporting the Revolutionary War lets us see and feel how events unfolded for the people who lived them American History For the colonists of the new world the years of the American Revolution were a time of upheaval and rebellion History boils it down to a few key events and has embodied it with a handful of legendary personalities But the reality of the time was that everyday people witnessed thousands of little moments blaze into an epic conflict for more than twenty years Now for the first time experience the sparks of revolution the way the colonists did in their very own town newspapers and broadsheets Reporting the Revolutionary War is a stunning collection of primary sources sprinkled with modern analysis from 37 historians Featuring Patriot and Loyalist eyewitness accounts from newspapers printed on both sides of the Atlantic readers will experience the revolution as it happened with the same immediacy and uncertainty of the colonists The American newspapers of the eighteenth century fanned the flames of rebellion igniting the ideas of patriotism and liberty among average citizens who had never before been so strongly united Within the papers you ll also read the private correspondence and battlefield letters of the rebels and patriots who grabbed the attention of each and every colonist and pushed them to fight for freedom and change From one of America s leading Revolutionary War newspaper archivists Todd Andrlik and guided by scores of historians and experts Reporting the Revolutionary War brings you into the homes of Americans and lets you see through their eyes the tinderbox of war as it explodes The story of the battle for independence unlike any version that has been told Military Review

Daughters of the American Revolution Magazine, 1903

The Battle of Guilford Courthouse John R. Maass, 2020-03-02 Around the North Carolina village of Guilford Courthouse in the late winter of 1781 two weary armies clashed on a cold wet afternoon American forces under Nathanael Greene engaged Lord Cornwallis s British army in a bitter two hour battle of the Revolutionary War The frightful contest at Guilford was a severe conflict in which troops made repeated use of their flintlock muskets steel bayonets and dragoon swords in hand to hand fighting that killed and wounded about eight hundred men Historian John R Maass recounts the bloody battle and the grueling campaign in the South that led up to it a crucial event on the road to American independence

The Women of the American Revolution Elizabeth Fries Ellet, 1900

The Fate of the Day Rick Atkinson, 2025-04-29 1 NEW YORK TIMES BESTSELLER In the second volume of the landmark American Revolution trilogy by the bestselling author of The British Are Coming George Washington s army fights on the knife edge between victory and defeat Rick Atkinson is featured in the new Ken Burns documentary The American Revolution premiering ahead of the 250th anniversary of the founding of the United

States This is great history compulsively readable There is no better writer of narrative history than the Pulitzer Prize winning Atkinson The New York Times Editors Choice The first twenty one months of the American Revolution which began at Lexington and ended at Princeton was the story of a ragged group of militiamen and soldiers fighting to forge a new nation By the winter of 1777 the exhausted Continental Army could claim only that it had barely escaped annihilation by the world s most formidable fighting force Two years into the war George III is as determined as ever to bring his rebellious colonies to heel But the king s task is now far more complicated fighting a determined enemy on the other side of the Atlantic has become ruinously expensive and spies tell him that the French and Spanish are threatening to join forces with the Americans Prize winning historian Rick Atkinson provides a riveting narrative covering the middle years of the Revolution Stationed in Paris Benjamin Franklin woos the French in Pennsylvania George Washington pleads with Congress to deliver the money men and materiel he needs to continue the fight In New York General William Howe the commander of the greatest army the British have ever sent overseas plans a new campaign against the Americans even as he is no longer certain that he can win this searing bloody war The months and years that follow bring epic battles at Brandywine Saratoga Monmouth and Charleston a winter of misery at Valley Forge and yet more appeals for sacrifice by every American committed to the struggle for freedom Timed to coincide with the 250th anniversary of the beginning of the Revolution Atkinson s brilliant account of the lethal conflict between the Americans and the British offers not only deeply researched and spectacularly dramatic history but also a new perspective on the demands that a democracy makes on its citizens

Principles and Acts of the Revolution in America, Or, An Attempt to Collect and Preserve Some of the Speeches, Orations, & Proceedings ; with Sketches and Remarks on Men and Things, and Other Fugitive Or Neglected Pieces, Belonging to the Men of the Revolutionary Period in the United States ... Hezekiah Niles,1876

The Sages and Heroes of the American Revolution Levi Carroll Judson,1875

Republication of the Principles and Acts of the Revolution in America Hezekiah Niles,1876 Republication of the Principles and Acts of the Revolution in America or an attempt to collect and preserve some of the speeches orations proceedings with sketches and remarks on men and things and other fugitive or neglected pieces belonging to the men of the revolutionary period in the United States

The Women of the American Revolution Elizabeth Fries Ellet,1980

The American Monthly Magazine ,1905

Revolutionary Women in the War for American Independence Elizabeth Fries Ellet,1998-09-17 This modern annotated adaptation of the original three volume edition of Women of the American Revolution by Elizabeth Ellet restores in a single volume a unique compilation of the roles played by eighty four American women in the Revolutionary War A best seller in the 1850s Ellet s work is here carefully edited for today s readers by a distinguished Revolutionary War historian It contains a new introduction and many explanatory footnotes A new organization arranges these biographies from north to south by colony underlining the vast

differences in class and culture among the various states While not America s earliest female historian Elizabeth Ellet may easily lay claim to being America s first historian of women Before publication of her books readers had come close to losing track of the important role played by women in the War for Independence Ellet preserved these valuable stories through reliance whenever possible on first person accounts which are still as fresh and compelling today as they were in the nineteenth century A vivid and comprehensive account which will be of interest to both military historians and scholars of women s history
