Executive summary

The goal of this website is to teach first-time authors how to self-publish an eBook on Amazon. As an independent author myself, I've found that many people I've talked to have expressed interest in publishing a book but they're not sure where to start. Today it's easier than it's ever been to publish something, and everyone has the opportunity to put their work out in the world.

This website is targeted towards first-time authors. I want to help teach you why self-publishing is valuable and how you can take their manuscript and turn it into an eBook to be sold in the Kindle store.

This website includes a brief overview of self-publishing, answers to frequently asked questions about self-publishing, and a detailed breakdown of how to self-publish your book on Amazon including a video walkthrough.
