Cook County Inmate Search In Chicago:

America's Jails Derek Jeffreys, 2018-06-05 A look at the contemporary crisis in U S jails with recommendations for improving and protecting the dignity of inmates Twelve million Americans go through the U S jail system on an annual basis Jails which differ significantly from prisons are designed to house inmates for short amounts of time and are often occupied by large populations of legally innocent people waiting for a trial Jails often have deplorable sanitary conditions and there are countless records of inmates being brutalized by staff and other inmates while in custody Local municipalities use jails to institutionalize those whom they perceive to be a threat so hundreds of thousands of inmates suffer from mental illness People abandoned by families or lacking health insurance or those who cannot afford bail often cycle in and out of jails In America s Jails Derek Jeffreys draws on sociology philosophy history and his personal experience volunteering in jails and prisons to provide an understanding of the jail experience from the inmates perspective focusing on the stigma that surrounds incarceration Using his research at Cook County Jail the nation s largest single site jail Jeffreys attests that jail inmates possess an inherent dignity that should govern how we treat them Ultimately fundamental changes in the U S jail system are necessary and America s Jails provides specific policy recommendations for changing its poor conditions Highlighting the experiences of inmates themselves America s Jails aims to shift public perception and understanding of jail inmates to center their inherent dignity and help eliminate the stigma attached to their incarceration *This Is My Jail* Melanie Newport, 2022-11-15 While state and federal prisons like Attica and Alcatraz occupy a central place in the national consciousness most incarceration in the United States occurs within the walls of local jails In *This Is My Jail* Melanie D Newport situates the late twentieth century escalation of mass incarceration in a longer history of racialized politically repressive jailing Centering the political actions of people until now overlooked jailed people wardens corrections officers sheriffs and the countless community members who battled over the functions and impact of jails Newport shows how local grassroots contestation shaped the rise of the carceral state As ground zero for struggles over criminal justice reform particularly in the latter half of the twentieth century jails in Chicago and Cook County were models for jailers and advocates across the nation who aimed to redefine jails as institutions of benevolent transformation From a slave sale on the jail steps to new jail buildings to electronic monitoring from therapy to job training these efforts further criminalized jailed people and diminished their capacity to organize for their civil rights With prisoners as famous as Al Capone Dick Gregory and Harold Washington and a place in culture ranging from Upton Sinclair s *The Jungle* to B B King s *Live in Cook County Jail* *This Is My Jail* places jails at the heart of twentieth century urban life and politics As a sweeping history of urban incarceration *This Is My Jail* shows that jails are critical sites of urban inequality that sustain the racist actions of the police and judges and exacerbate the harms wrought by housing discrimination segregated schools and inaccessible health care Structured by liberal anti Blackness and legacies of violence today s jails reflect longstanding local commitments to the unfreedom of poor
