Dan Pearce,2019-10-28 Being a kid isn t always easy and most kids don t have a lot of control over what happens in their day  
to day lives That s just part of being a kid But What if the room didn t always have to be cleaned What if bedtime didn t  
always have to be at a certain time What if making a mistake didn t always lead to getting into trouble What if your kids had  
access to coupons they could hand to you that allowed them to be just a little more human and to have just a little more  
control over their own lives in fun and limited ways Awesome Kid Coupons offers your children just that featuring its 18  
different kid coupons that your child can use in the moments they choose to use them Each coupon has a fun and unique

Illustrator Dan Pearce I originally made a very similar coupon book for my son one Christmas when money was tight and I  
didn t have much for big or expensive gifts I spent weeks drawing fun illustrations and coming up with coupons my child  
could use any time he wanted over the next year He LOVED the finished project and now the number one thing he always  
puts on his list every year is more coupons As parents we often forget that this human experience we all go through isn t  
always the easiest thing for our kids to navigate either These coupons are an amazing way to not only let your kid be  
amazingly human but also to remind you as a parent that sometimes it s okay to give a little and not make rules or routines  
that never have exceptions This in turn will help your kids be more supportive of the rules and routines that you do have to  
make as the awesome parent that you are Awesome Kid Coupons features pre filled coupons that have universal kid struggles
