Insurrections Rion Amilcar Scott, 2016-08-16 A suicidal father looks to an older neighbor and the Cookie Monster for salvation and sanctuary as his life begins to unravel A man seeking to save his estranged drug addicted brother from the city's underbelly confronts his own mortality A chess match between a girl and her father turns into a master class about life, self-realization and pride Now hold on little girl Chess is like real life The white pieces go first so they got an advantage over the black pieces These are just a few glimpses into the world of the residents of the fictional town of Cross River Maryland a largely black settlement founded in 1807 after the only successful slave revolt in the United States Raw, edgy and unrelenting yet infused with forgiveness, redemption and humor the stories in this collection explore characters suffering the quiet tragedies of everyday life and fighting for survival In *Insurrections* Rion Amilcar Scott's lyrical prose authentically portrays individuals growing up and growing old in an African American community Writing with a delivery and dialect that are intense and unapologetically current Scott presents characters who dare to make their own choices choices of kindness or cruelty in the depths of darkness and hopelessness Although Cross River's residents may be halted or deterred in their search for fulfillment their spirits remain resilient always evolving and constantly moving *The Georgia Farmers' Strike* Lee Lancaster, 2023-07-10 Author Lee Lancaster retraces the movement of a remarkable time in our nation's agricultural history In 1976 America sent a peanut farmer from Plains to Washington D C Farmers throughout the nation especially in Georgia had high hopes for President Jimmy Carter but those dreams vanished when he seemingly disregarded their problems historic drought and embarrassing commodity prices Peach State farmers took to the streets slow rolling a tractorcade on I 75 toward Atlanta The result was the largest ever farmer led demonstration in the United States The farmers pledged not to sell plant or buy anything until 100% parity was obtained The farmers eventually steered their tractorcade to D C trying to prevent the foreclosure of dozens of farms with help from an armed group in Middle Georgia and a real estate tycoon from New York who would become the forty fifth president *Nonstop Metropolis* Rebecca Solnit, Joshua Jelly-Schapiro, 2016-10-19 *Nonstop Metropolis* the culminating volume in a trilogy of atlases conveys innumerable unbound experiences of New York City through twenty six imaginative maps and informative essays Bringing together the insights of dozens of experts from linguists to music historians ethnographers urbanists and environmental journalists amplified by cartographers artists and photographers it explores all five boroughs of New York City and parts of nearby New Jersey We are invited to travel through Manhattan's playgrounds from polyglot Queens to many faceted Brooklyn and from the resilient Bronx to the mystical kung fu hip hop mecca of Staten Island The contributors to this exquisitely designed and gorgeously illustrated volume celebrate New York City's unique vitality its incubation of the avant garde and its literary history but they also critique its racial and economic inequality environmental impact and erasure of its past *Nonstop Metropolis* allows us to excavate New York's buried layers to scrutinize its political heft and to discover the unexpected in one of the most iconic
