**transister** Kate Brookes,2023-08-08 Transister is the story of a family in transition Not a prescriptive narrative but an affirming one A raw honest sometimes humorous account of author Kate Brookes s journey as her young child grapples with gender identity and becomes her authentic self Brookes has longed to become a mother for as long as she can remember And for almost as long she has harbored a fierce determination to parent her children differently better than her own mentally ill mom parented her To create the normal family she s always wished for And when she gives birth to twins after two years of fertility struggles she is admittedly hugely relieved that she s found herself with two boys There will be no need for her a decidedly un girly girl to braid hair buy Barbie dolls or pick out party dresses for her kids Boys Easy Right But by the time her twins are eight Brookes has had two realizations 1 her obstetrician s it s another boy announcement was flat out wrong and 2 there is no such thing as a normal family and that s a beautiful thing The Oxford Companion to the American
