**A People's Guide to New York City** Carolina Bank Muñoz, Penny Lewis, Emily Tumpson Molina, 2022-01-25 This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to reveal a people's New York City. The sites and stories of *A People's Guide to New York City* shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city, serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function—immigrants, people of color, and the working classes—reside largely in the so-called outer boroughs, outside the corporations, neon, and skyscrapers of Manhattan. *A People's Guide to New York City* expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn, and Staten Island, as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city.

***Working Mother***, 1993-05 The magazine that helps career moms balance their personal and professional lives.

***Remember who You are*** Esther Rudomin Hautzig, 1999 This is a collection of 20 haunting true stories, each revealing the struggle for Jewish identity and the solace gained through faith. As a child, Esther Hautzig and her family were exiled to Siberia for being capitalists, thus inadvertently escaping the Nazis. After World War II, Hautzig began collecting the true stories of those who lived and died during the horror of the Holocaust of Jews in Vilna in the United States and in Israel.

***Field and Stream***, 1990

***Climbing the Rainbow***, 2003-11 For more than 150 years, waves of poor immigrants flow into Passaic, a small city in New Jersey seeking jobs and a new life. The common dream of these hard-working people is for their children to become educated and then successful in America. *Climbing the Rainbow* And that's exactly what happens. Each generation is educated in the city's school system, then moved on to successful careers throughout our nation. This mobility allows a new flood of even poorer immigrants to take their place. The success process is again renewed. This book contains twenty-eight stories, each written by a person who grew up or worked in the unique City of Passaic at different times during the last ninety years. These authors are representative of the many ethnic, racial, and religious groups that live peacefully side by side in this unique melting pot city. Quoting from one of the book chapter authors, Jose Rodriguez, who describes his reaction as a seven-year-old on his first day in Passaic: "As I walked into the parking lot on Market Street, I

entered a strange new world exciting and alive with activity life and color black white brown yellow and yes even red This was not the pigment on the walls of this parking lot but the skin tones of the youth in this piece of the world That day in 1978 in the wonderful City of Passaic I saw the rainbow that would make up the road of my youth it was the truest of melting pots
