When China Attacks Grant Newsham, 2023-03-28 When China Attacks is a fire bell in the night a warning about a war that we are already losing It offers a frightening and well founded blow by blow account of what might happen next China poses an existential threat to America warns a veteran intelligence officer and the window for an effective response is closing fast Col Grant Newsham a former reserve head of intelligence for Marine Forces Pacific delivers a blow by blow account of how the threat has developed from the growing skill and belligerence of the Chinese military to gray zone campaigns to hollow out America s will to resist These efforts that have now reached fruition You can see the war damage in Baltimore Erie Buffalo and countless other communities across the United States With decades of experience in Asia including as a U S Marine a diplomat and an executive with Morgan Stanley and Motorola in Japan Col Newsham brings together the military political economic and social to provide insights into how far along we already are and what needs to be done Now The question is not whether the Chinese will attack They already have It is trying to kill our economy our institutions our way of life our people It is dominant in the world economy It is a master of intellectual property theft It shows strategic genius at cornering essential markets It has been staggeringly successful in buying influence among American elites It is killing us with Fentanyl And its military buildup is astonishing So far China has been waging a mostly covert war on the United States and its allies But emboldened by American weakness and perceived decline the war could soon explode into the open The flashpoint will be Taiwan but the war will extend over the entire Pacific

Theater and beyond The results as Col Newsham paints in stark detail will be devastating America risks a humiliating retreat with almost unimaginable costs to our economy and security Will America fight back before the cold war that Communist China is waging against America and its allies goes hot The conflict is coming We re not ready China is already attacking America Is American defeat inevitable No but we must change course immediately And to do that we must wake up and heed the sobering message of When China Attacks
