network television's portrayals of Native Americans FitzGerald contends that these representations fit neatly into existing conceptions of colonial discourse and that their messages about the Good Indian have become part of viewers' understandings of Native Americans. In this study FitzGerald offers close examinations of such series as *The Lone Ranger*, *Daniel Boone*, *Broken Arrow*, *Hawk*, *Nakia*, and *Walker Texas Ranger*. By examining the traditional role of stereotypes and their functions in the rhetoric of colonialism, the volume ultimately offers a critical analysis of images of the Good Indian, minority figures that enforce the dominant group's norms. A long overdue discussion of this issue, *Native Americans on Network TV* will be of interest to scholars of television and media studies but also those of Native American studies, subaltern studies, and media history.
