## **City Homicide Episode Guide:**

**TV Guide** ,2007      Focus On: 100 Most Popular Television Shows Set in New York City Wikipedia contributors,

**Television Westerns Episode Guide** Harris M. Lentz,1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949 Westerns have been the genre of choice for 180 series Some Gunsmoke Bonanza and Maverick for example were classics others such as 26 Men and Shotgun Slade were quickly forgotten From Adventures of Briscoe County through Zorro and Son this comprehensive reference work covers all 180 Western series Each entry opens with a listing of the broadcast history of the series including original network day and time This is followed by a listing of the regular cast members and a brief premise of the series The individual episodes are then covered with the title original air date leading guest stars and a brief synopsis given An exhaustive index completes the work      **Focus On: 100 Most**

**Popular Television Series by Universal Television** Wikipedia contributors,      Historical Dictionary of African American Television Kathleen Fearn-Banks,Anne Burford-Johnson,2014-10-03 From Amos n Andy to The Jeffersons to Family Matters to Chappelle s Show this volume has all different genres animation documentaries sitcoms sports talk shows and variety shows and performers such as Muhammad Ali Louis Armstrong Bill Cosby and Oprah Winfrey Additionally information can be found on general issues ranging from African American audiences and stereotypes through the related networks and organizations This second edition covers the history of African Americans on television from the beginning of national television through the present day including chronologyintroductory essayappendixesbibliographyover 1000 cross referenced entries on actors performers producers directors news and sports journalistsentries on series specials and movies relevant to African American themes and African American casts This book is an excellent access point for students researchers and anyone wanting to know more about the history of African Americans and their impact on television      **The Aesthetics of Violence**

**in Contemporary Media** Gwyn Symonds,2011-11-03 The topic of violence in the media seems as inundated as can be Countless studies and research projects have been conducted mostly to show its negative effects on society What Gwynneth Symonds proposes though takes this significant topic one step further studying the aesthetics of media violence By defining key terms like the graphic nature and authenticity of violent representations and discussing how those definitions are linked to actual violence outside the film and television screen Symonds broadens the arena of study Engagingly written The Aesthetics of Violence in Contemporary Media fills an important gap Symonds uses existing studies for the empirical audience reception data together with discussions of the different representations of violence to look at violence in the media as an art form in of itself By looking at The Simpsons Bowling for Columbine and Norma Khouri s Forbidden Love just to name a few Symonds cross analyzes violence in multiple media to see their affective role in audience reception an important aspect when discussing media The book strikes a balance between the readers need to see how theory matches what actually happens in the texts in question and the demands of a theoretical overview      **Gay TV and Straight America** Ron

Becker,2006-02-02 After decades of silence on the subject of homosexuality television in the 1990s saw a striking increase in programming that incorporated and in many cases centered on gay material In shows including Friends Seinfeld Party of Five Homicide Suddenly Susan The Commish Ellen Will Grace and others gay characters were introduced references to homosexuality became commonplace and issues of gay and lesbian relationships were explored often in explicit detail In Gay TV and Straight America Ron Becker draws on a wide range of political and cultural indicators to explain this sudden upsurge of gay material on prime time network television Bringing together analysis of relevant Supreme Court rulings media coverage of gay rights battles debates about multiculturalism concerns over political correctness and much more Becker s assessment helps us understand how and why televised gayness was constructed by a specific culture of tastemakers during the decade On one hand the evidence points to network business strategies that embraced gay material as a valuable tool for targeting a quality audience of well educated upscale adults looking for something edgy to watch But Becker also argues that the increase of gay material in the public eye creates growing mainstream anxiety in reaction to the seemingly civil public conversation about equal rights In today s cultural climate where controversies rage over issues of gay marriage yet millions of viewers tune in weekly to programs like Queer Eye for the Straight Guy this book offers valuable insight to the complex condition of America s sexual politics      **The Nitpicker's Guide for X-Philes** Phil Farrand,1998

Britain's First TV/film Crime Series and the Industrialisation of Its Film Industry, 1946-1964 Dave Mann,2009 The first study devoted to the genesis of domestic TV Film production this project presents an industrial and cultural history of the transformation of the lower reaches of Britain s film industry during the period 1946 1964      **SPIN** ,1993-10 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks

**Encyclopedia of Television Shows, 1925 through 2010, 2d ed.** Vincent Terrace,2014-01-10 This fully updated and expanded edition covers over 10 200 programs making it the most comprehensive documentation of television programs ever published In addition to covering the standard network and cable entertainment genres the book also covers programs generally not covered elsewhere in print or even online including Internet series aired and unaired pilot films erotic series gay and lesbian series risque cartoons and experimental programs from 1925 through 1945      **A Guide to Material on Crime and Criminal Justice** Augustus Frederick Kuhlman,Social Science Research Council (U.S.). Committee on Survey of Research on Crime and Criminal Justice,1929      **Criminal Justice Today** Frank Schmalleger,2005 In a substantially revised eighth edition Criminal Justice Today continues to set the standard by which all other introductory criminal justice textbooks are measured The hallmark features that have made Criminal Justice Today the most widely read college criminal

justice textbook form the core of this new edition They include A thematic approach that contrasts the justice system s twin goals of ensuring public order and safety while guaranteeing individual rights The book s theme present since the first edition is more relevant today and continues to significantly influence the direction of American society Timely content including current issues such as efforts to enhance homeland security concerns about restrictions on individual freedoms in the face of terrorist threats corporate crime identity theft high technology crime and special issues such as policing an ever changing multicultural society A futures orientation including a special chapter on the future of criminal justice that points the way to and helps students appreciate the unchanging foundation upon which American criminal justice rests simple to stay abreast of the latest news research reports and government sponsored studies of relevance to the study of criminal justice The eighth edition also brings exciting new features to Criminal Justice Today Among them are Expanded police coverage including an entirely new chapter on police organization and management The criminal justice system s response to terrorism including broad coverage of homeland security issues the impact of domestic and international terrorism on criminal justice practices and procedures individual rights in the face of enhanced security and terrorism prevention response and control Detailed coverage of corporate crime including possible criminal activities of companies such as Enron WorldCom Adelphia Vivendi Universal Kmart Global Crossing Tyco International and London based auction house Sotheby s Crime mapping predictive and enforcement technologies including CompStat and CopLink software wearable augmented reality devices and biometrics with special graphics provided by the Massachusetts State Police **Fortune** Henry R. Luce,2000 **Halliwell's Film, Video & DVD Guide** ,2007 **The Book Buyer's Guide** ,1950 *Emmy* ,2002

Pocket Guide to Cases of Medicine & Public Health Collaboration Roz Diane Lasker,David Michael Abramson,Grace Roegner Freedman,1998 **The Thirteenth Virgin Film Guide** ,2005 The critically acclaimed Virgin Film Guide makes every film count by providing more information on the films that matter from the 1930s to the present day It offers fuller credits longer synopses and reviews plus comprehensive Oscars information alternative titles a complete star rating and a comprehensive index of directors It also draws on the expertise of TV Guide s entire team of film experts each skilled in a different kind of film from classic Hollywood musicals to low budget cult favourites giving the reader more informed and opinionated critique than other books of this kind **Vibe** ,1998
