The Instructions

These are summary sentences that have been all mixed up.
Organize these sentences in chronological order - as they
happened in the chapter.

Cut and glue them into the boxes on the left.

When the city of Ember was built, the great builder and
his assistant sat down to talk about the future.

Every mayor of Ember guarded the box and passed it
down until the 3rd mayor who was sick and very
desperate.

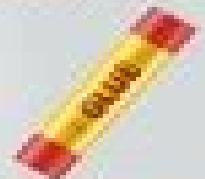

The 3rd mayor tried to open the box, but he died trying.
The box ended up at the level of a desert, without
anyone knowing about it.

People lived in the city for at least 210 years.
After the time passed, a special box will open again.
Decisions on what to do next will be in that box.

Write your
summary in the boxes.
