## Civil War Papers:

*The Civil War Papers of George B. McClellan* George Brinton McClellan, 1989      *The Hour of Our Nation's Agony* William Cowper Nelson, 2007 *The Hour of Our Nation's Agony* offers a revealing look into the life of a Confederate soldier as he is transformed by the war. Through these literate, perceptive and illuminating letters, readers can trace Lt William Cowper Nelson's evolution from an idealistic young soldier to a battle-hardened veteran. Nelson joined the army at the age of nineteen, leaving behind a close-knit family in Holly Springs, Mississippi. He served for much of the war in the Third Corps of Robert E. Lee's Army of Northern Virginia. By the end of the conflict, Nelson had survived many major battles including Fredericksburg, Chancellorsville, Gettysburg, and the Wilderness, as well as the long siege of Petersburg. In his correspondence, Nelson discusses in detail the soldier's life, religion in the ranks, his love for and heartbreak at being separated from his family, and Southern identity. Readers will find his reflections on slavery, religion, and the Confederacy particularly revealing. Seeing and participating in the slaughter of other human beings overpowered Nelson's romantic idealism. He had long imagined war as a noble struggle of valor, selflessness, and glory. But the sight of wounded men with blood streaming from their wounds, dying slowly, lonely deaths, showed Nelson the true nature of war. Nelson's letters reveal the conflicting emotions that haunted many soldiers. Despite his bitter hatred of the ruthless invaders of our beloved South, the sight of wounded Union prisoners moved him to compassion. Nelson's ability to write about irreconcilable moments when he felt both kindness and cruelty toward the enemy with introspection, candor, and sensitivity makes *The Hour of Our Nation's Agony* more than just a collection of missives. Jennifer Ford places Nelson squarely in the middle of the historiographic debate over the degree of disillusionment felt by Civil War soldiers, arguing that Nelson, like many soldiers, was a complex individual who does not fit neatly into one interpretation. Jennifer W. Ford is head of special collections and associate professor at the J. D. Williams Library at the University of Mississippi, where the collection containing Lt Nelson's letters and other family documents is held.      **An Uncommon Soldier** Sarah Rosetta Wakeman, 1995. Originally published Pasadena, Md: Minerva Center, 1994.      **On the Altar of Freedom** James Henry Gooding, 1991. Our correspondent J. H. G. is a member of Co. C of the 54th Massachusetts Regiment. He is a colored man belonging to this city, and his letters are printed by us verbatim et literatim as we receive them. He is a truthful and intelligent correspondent and a good soldier. *The Editors*. New Bedford, Massachusetts: Mercury, August 1863.      *Civil War Papers*. Military Order of the Loyal Legion of the United States. Commandery of the State of Massachusetts, 1900.      **I Remain Yours** Christopher Hager, 2018-01-08. For men in the Union and Confederate armies and their families at home, letter writing was the sole means to communicate. Taking pen to paper was a new and daunting task, but Christopher Hager shows how ordinary people made writing their own and how they in turn transformed the culture of letters into a popular, democratic mode of communication.      [Famous Civil War Documents and Speeches](#) Robert Blaisdell, Bob Blaisdell, 2006-12-01. Key documents and memorable speeches include the Gettysburg Address, Lee's Farewell

to the Army of Northern Virginia plus campaign reports private letters and more A must for Civil War buffs      **Civil War Documents** Civil War Documents, Notebook letters soldiers letters personal letters telegraphs etc      *For Honor, Glory, and Union* William Haines Lytle, 2014-07-11 Cincinnati native William Haines Lytle volunteered for service in the Mexican War in late 1847 A pro states rights Democrat with strong family ties to Kentucky he nevertheless chose to protect and defend the Union upon the outbreak of the Civil War Lytle s Mexican War service primarily consisted of garrison duty but during the Civil War he became known for his courage under fire and his devotion to his troops He saw combat at Carnifex Ferry and Perryville and was killed at Chickamauga while leading a valiant charge to stop Confederate troops storming through an opening in Union lines His letters detail the ferocity of action on the western front and offer a glimpse of the interaction between Union officers and Southern civilians in the border states      *The Civil War Papers Of George B. McClellan* Stephen W. Sears, 1992-03-22 General George B McClellan the self styled American Napoleon is one of the most controversial figures of the American Civil War General in chief of the entire Union army at one point he led the Army of the Potomac through the disaster at Antietam Creek was subsequently dismissed by Lincoln and then ran against him in the 1864 presidential campaign This collection of McClellan s candid letters about himself his motivations and his intentions reveals much fresh information on the military operations and political machinations he was involved with and sheds new light on his complex personality Stephen Sears a Civil War expert prize winning author and biographer of McClellan here lets this once removed and now notorious commander speak of himself providing us with an important first hand view of what went on behind the scenes of America s greatest and most awful war      *Civil War Newspaper Maps* David C. Bosse, 1993 Bull Run Ball s Bluff Secessionville Antietam Champion s Hill Chickamauga To the Northern public during the Civil War they were exotic names of unfamiliar places where husbands sons fathers and brothers fought and died Hungry for information from these far off battlefields Americans began buying daily newspapers in record numbers Competition among publishers grew keen Correspondents reporting from the field soon began supplementing written dispatches with battlefield maps and before long newspapers were seeking new ways to portray topography and battle lines in clear effective images In *Civil War Newspaper Maps* David Bosse shows how nineteenth century advances in printing and engraving technology coupled with an unprecedented public demand for information led to the development of a means of mass communication still in use today the quickly produced newspaper battlefield map Bosse s introduction offers a concise overview of the subject including how correspondents got maps to their papers from the field press military relations during the war and the economic problems of map printing Following the text is an atlas of forty five newspaper maps printed by the Northern daily press Each map is accompanied by a summary of the military operation it illustrates and a commentary on the map itself including an evaluation of its accuracy based on comparison with other historical and cartographic sources Arranged chronologically the maps cover nearly every theater of the war and represent a unique historical record of one of the pivotal events in American history

**Dear Friends at Home** Charles Thomas Bowen, 2001      *Blue-Eyed Child of Fortune* Robert Gould Shaw, 2011-08-15 On the Boston Common stands one of the great Civil War memorials a magnificent bronze sculpture by Augustus Saint Gaudens It depicts the black soldiers of the Fifty fourth Massachusetts Infantry marching alongside their young white commander Colonel Robert Gould Shaw When the philosopher William James dedicated the memorial in May 1897 he stirred the assembled crowd with these words There they march warm blooded champions of a better day for man There on horseback among them in the very habit as he lived sits the blue eyed child of fortune In this book Shaw speaks for himself with equal eloquence through nearly two hundred letters he wrote to his family and friends during the Civil War The portrait that emerges is of a man more divided and complex though no less heroic than the Shaw depicted in the celebrated film *Glory* The pampered son of wealthy Boston abolitionists Shaw was no abolitionist himself but he was among the first patriots to respond to Lincoln's call for troops after the attack on Fort Sumter After Cedar Mountain and Antietam Shaw knew the carnage of war firsthand Describing nightfall on the Antietam battlefield he wrote the crickets chirped and the frogs croaked just as if nothing unusual had happened all day long and presently the stars came out bright and we lay down among the dead and slept soundly until daylight There were twenty dead bodies within a rod of me When Federal war aims shifted from an emphasis on restoring the Union to the higher goal of emancipation for four million slaves Shaw's mother pressured her son into accepting the command of the North's vanguard black regiment the Fifty fourth Massachusetts A paternalist who never fully reconciled his own prejudices about black inferiority Shaw assumed the command with great reluctance Yet as he trained his recruits in Readville Massachusetts during the early months of 1863 he came to respect their pluck and dedication There is not the least doubt he wrote his mother that we shall leave the state with as good a regiment as any that has marched Despite such expressions of confidence Shaw in fact continued to worry about how well his troops would perform under fire The ultimate test came in South Carolina in July 1863 when the Fifty fourth led a brave but ill fated charge on Fort Wagner at the approach to Charleston Harbor As Shaw waved his sword and urged his men forward an enemy bullet felled him on the fort's parapet A few hours later the Confederates dumped his body into a mass grave with the bodies of twenty of his men Although the assault was a failure from a military standpoint it proved the proposition to which Shaw had reluctantly dedicated himself when he took command of the Fifty fourth that black soldiers could indeed be fighting men By year's end sixty new black regiments were being organized A previous selection of Shaw's correspondence was privately published by his family in 1864 For this volume Russell Duncan has restored many passages omitted from the earlier edition and has provided detailed explanatory notes to the letters In addition he has written a lengthy biographical essay that places the young colonel and his regiment in historical context      Civil War Papers Read Before the Commandery of the State of Massachusetts , 1900      *Some Civil War Letters* Abram Piatt Andrew, 1925      *Haskell of Gettysburg* Franklin Aretas Haskell, 1989 All students of the Civil War are indebted to Frank Haskell for his classic description of the battle of

Gettysburg A lieutenant on the staff of John Gibbon Haskell stood at the focus of the Confederate assault on July 3 1863 He wrote of the battle in a letter to his brother When it came to light after the war it became and remains probably the most read and repeated account of Civil War combat written by a participant It captures wholly the terrible fascination that the Civil War and Gettysburg holds for all Americans Haskell wrote other letters thirty one in this collection and attained the rank of colonel before he was killed at Cold Harbor on June 3 1864 This 1989 paperback reprinting of the 1970 edition contains a new preface by Frank L Byrne      **Civil War Letters of George Washington Whitman** George Washington Whitman,1975      **Lamson of the Gettysburg** Roswell Hawks Lamson,Patricia R. McPherson,James M. McPherson,1997 A major collection of Civil War letters one of the few by a naval officer offers an unparalleled view of the war s naval action on the South Atlantic as seen by one of the war s most active commanders UP      **Civil War Letters** Bob Blaisdell,2012-01-01 Wartime letters include correspondence of Union and Confederate sympathizers and soldiers of all ranks Authentic illustrations accompany insightful missives by Lincoln Grant Lee Whitman Davis and many of their contemporaries      **The Civil War Letters of Joshua K. Callaway** Joshua K. Callaway,2014-09-15 From the Kentucky Campaign to Tullahoma Chickamauga to Missionary Ridge junior officer Joshua K Callaway took part in some of the most critical campaigns of the Civil War His twice weekly letters home written between April 1862 and November 1863 chronicle his gradual change from an ardent Confederate soldier to a weary veteran who longs to be at home Callaway was a schoolteacher husband and father of two when he enlisted in the 28th Alabama Infantry Regiment at the age of twenty seven Serving with the Army of the Tennessee he campaigned in Mississippi Kentucky Tennessee and north Georgia Along the way this perceptive observer and gifted writer wrote a continuous narrative detailing the activities concerns hopes fears discomforts and pleasures of a Confederate soldier in the field Whether writing about combat illness encampments or homesickness Callaway makes even the everyday aspects of soldiering interesting This large collection seventy four letters in all is a valuable historical reference that provides new insights into life behind the front lines of the Civil War
