**Cixous, Irigaray, Kristeva** Kelly Ives, 2013-03 CIXOUS IRIGARAY KRISTEVA THE JOUISSANCE OF FRENCH FEMINISM This book is a poetic study of three French feminists Luce Irigaray Julia Kristeva and Helene Cixous the holy trinity of French feminism Kelly Ives writes I hope to convey some the inspiration and excitement that their work instils For these three feminists philosophers speakers poets are extraordinarily enriching Their writings are not dull nor yet are they limited to having one or two things to say Rather they say a lot about a lot Sometimes they write things that are outrageous at other times they are incredibly searingly poignant They annoy many feminists their insistence on the body and biology for instance aggravates some theorists EXTRACT FROM THE INTRODUCTION Helene Cixous Luce Irigaray and Julia Kristeva all have different modes of writing There are times when they are writing in the sober tones of a cultural critic philosopher or psychoanalyst They have strident feminist voices Cixous and Irigaray more than Kristeva They are personal reminiscence modes They have a relaxed informal mode in interviews And most powerful of all they have lyrical modes Thus Cixous the most poetic of the three will break into a visionary ultra lyrical way of writing Luce Irigaray too changes less frequently than Helene Cixous from a critical to a lyrical form Thus in a piece such as When Our Lips Speak Together Irigaray will write poetic sentences such as Kiss me Two lips kiss two lips and openness is ours again This is the kind of phrase which never appears in most cultural theorists outside of quotation marks One doesn't find Jacques Derrida Jacques Lacan Gilles Deleuze Jean Baudrillard Mikhail Bakhtin Michel Foucault Roland Barthes or Jean Paul Sartre writing kiss me very often What marks Helene Cixous Luce Irigaray and Julia Kristeva apart from many cultural theorists and philosophers then is this personal confessional and poetic way of writing where they directly address the reader as the other the you in an intimate relationship Derrida Foucault Baudrillard and Jakobson are rarely if ever this personal KELLY IVES has written widely on feminism philosophy and art Her previous books include Julia Kristeva and Helene Cixous The text has been revised and updated for this edition Illustrated with a revised text European Writers Series Bibliography and notes 188pp ISBN 9781861714206 [www.crmoon.com](http://www.crmoon.com) Translating Transgressive Texts Pauline Henry-Tierney, 2023-12-22 Through close examination of references to gender identity female sexuality and corporeality this book is the first of its kind to shed light on the complexities of translating the recent transgressive turn in contemporary women's writing in French Via four case studies namely the translations into English of Nelly Arcan's Putain 2001 Catherine Millet's La Vie sexuelle de Catherine M 2001 Nancy Huston's Infrarouge 2010 and Nina Bouraoui's Garçon manqué 2000 this book explores how transgressive topoi such as prostitution anorexia matrophobia rape female desire and transgenderism are translated The book considers how auto-fictional female selves portrayed are displaced by translation at both a textual and paratextual level Combining feminist phenomenological perspectives on female lived experience with feminist translation theory this interdisciplinary study offers an insight into how the experiential is brought into language how it journeys via language into new cultural contexts via translation and creates a

dialogical space in which the subjectivities of those involved author narrator protagonist translator become open to the porosity of encounters with alterity The volume will appeal to scholars in translation studies French Studies and gender and sexuality studies particularly those interested in feminist translation and literary translation **Hélène Cixous, I Love You** Kelly Ives, 2008 Hélène Cixous is a challenging and lyrical French feminist and writer author of the influential essay *The Laugh of the Medusa* and with Catherine Clément *The Newly Born Woman* Cixous is immensely productive writing novels plays essays and poetic prose Her ideas have provoked much debate in feminism on the body orgasmic writing feminine texts critique of feminine essentialism and the Nietzschean gift *Confronting Patriarchy* Mary Boufis Filou, 2009 *Confronting Patriarchy* Psychoanalytic Theory in the Prose of Cristina Peri Rossi examines three works of the contemporary Uruguayan author who lives in exile as she dialogues with the psychoanalytic discourse endemic to patriarchal society Peri Rossi's prose structured like unconscious productions that give free expression to desire and passion as emanating from the forbidden recesses of the psyche powerfully reveals the message as a treatment for an ill society The language in the three works studied facilitates and reveals the male protagonist's interaction with the desired female object as a regression to a semiotic pre-oedipal state in a type of return of the repressed of consuming desire that has been written out of mainstream patriarchy and that serves to challenge its rational symbolic order It is from this vantage point that the author attempts to re-write the conclusions obtained through Lacanian and patriarchal discourse so that woman can emerge as a subject in her own right

**Feminism and Women's Writing** Catherine Riley, 2018-02-09 Explores the transformative reign of the Catholic King James VII and the revolution that brought about his fall **The Routledge Handbook of Critical Finance Studies** Christian Borch, Robert Wosnitzer, 2020-09-15 There has been an increasing interest in financial markets across sociology history anthropology cultural studies and related disciplines over the past decades with particular intensity since the 2007-2008 crisis which prompted new analyses of the workings of financial markets and how scandals of Wall Street might have huge societal ramifications The sociologically inclined landscape of finance studies is characterized by different more or less well established homogeneous camps with more micro empirical social studies of finance approaches on the one end of the spectrum and more theoretical often neo-Marxist approaches on the other Yet alternative approaches are also gaining traction including work that emphasizes the cultural homologies and interconnections with finance as well as work that more broadly is both empirically rigorous and theoretically ambitious Importantly across these various approaches to finance a growing body of literature is taking shape which engages finance in a critical manner The term critical finance studies nonetheless remains largely unfocused and undefined Against this backdrop the key rationales of *The Routledge Handbook of Critical Finance Studies* are firstly to provide a coherent notion of this emergent field and secondly to demonstrate its analytical usefulness across a wide range of central aspects of contemporary finance As such the volume will offer a comprehensive guide to students and academics on the field of Finance and Critical Finance Studies Heterodox Economics

Laird, 2000 Until recently collaborative authorship has barely been considered by scholars when it has the focus has been on discovering who contributed what and who dominated whom in the relationship and in the writing In Women Coauthors Holly Laird reads coauthored texts as the realization of new kinds of relationship Through close scrutiny of literary collaborations in which women writers have played central roles Women Coauthors shows how partnerships in writing between two women or between a woman and a man provide a paradigm of literary creativity that complicates traditional views of both author and text and makes us revise old habits of thinking about writing Focusing on the social dynamics of literary production

including the conversations that precede and surround collaborative writing *Women Coauthors* treats its coauthored texts as representations as well as acts of collaboration Holly A Laird discusses a wide array of partial and full coauthorships to reveal how these texts blur or remap often uncanny boundaries of self status race reason and culture that of the Delany sisters and Amy Hill Hearth on *Having Our Say* lesbian couples whose lives and writings were intertwined including Katherine Bradley and Edith Cooper Michael Field and Gertrude Stein and Alice B Toklas and the Native American wife and husband authors Louise Erdrich and Michael Dorris Framed in time by the feminist and abolitionist movements of the mid nineteenth century and the ongoing social struggles surrounding gender race and sexuality in the late twentieth century the partnerships and texts observed in *Women Coauthors* explore collaboration as a path toward equity both socioliterary and erotic For the authors here who collaborate most fully with each other two are much better than one *Women Making Art* Deborah J. **Sexing Hardy** Margaret Elvy,1998 SEXING HARDY THOMAS HARDY AND FEMINISM There are surprisingly few feminist analyses of the work of British novelist Thomas Hardy and most do not get beyond vague notions of sexism and misogyny in the Kate Millett and second wave feminist manner Margaret Elvy's book however uses up to date research in the fields of cultural studies feminist poetics gay lesbian and queer theory This new postmodern and incisive exploration of Thomas Hardy offers an exciting and radical reappraisal of the discourses of gender desire class economy socialization identity and patriarchy in his fiction and poetry This new edition of *Sexing Hardy* includes a new introduction and a new bibliography EXTRACT FROM CHAPTER ONE THOMAS HARDY AND FEMINISM Is Thomas Hardy a feminist Are Thomas

Hardy's works feminist How much do his works reflect and bolster the patriarchal attitudes and behaviour of his era and how much do they question them What is the relation between Hardy and the feminists of his time And what is the link between Hardy's works and the feminism of the early 21st century Thomas Hardy's theme is what you might call Wessexuality Wessex mania Wessex politics Hardy's works are sexist patriarchal and masculinist and yet they question notions of sexism gender identity patriarchy and masculinism A text such as *Tess of the d'Urbervilles* is traditional and follows patriarchal codes and morals Yet it also questions them and offers a number of feminist critiques of late 19th century society In his letters Thomas Hardy proposed feminist views he wrote to feminists such as the suffragette leader Millicent Fawcett that a child was the mother's own business not the father's *Collected Letters* 3 238 One can see these feminist sentiments in for example Hardy's treatment of Tess in her motherhood she works in the fields just a few weeks after the birth even though she is melancholy she seems to be suffering a mild form of post natal depression Tess further subverts patriarchy by taking her child's baptism into her own hands She goes against her father the vicar and the whole church with her self made baptism Thomas Hardy's novels were not always received favourably by women critics and readers Hardy's own views expressed outside of the novels did not always square with those of feminists of the 1880s and 1890s The ideological gap between Hardy and the women critics and feminists of the late 19th century is illustrated by Hardy's remark to Edmund Yates in 1891 many of my novels have suffered so much from misrepresentation as being attacks on womankind *Collected Letters* I 250 Hardy hoped that works such as *Tess of the d'Urbervilles* would redress the balance

**Shifting Scenes** Alice Jardine, Anne M. Menke, 1991 This now classic work is the only definitive collection available of interviews with leading French women intellectuals

Women's Lives in Contemporary French and Francophone Literature Florence Ramond Jurney, Karen McPherson, 2018-06-16 The essays in this volume provide an overview and critical account of prevalent trends and theoretical arguments informing current investigations into literary treatments of motherhood and aging They explore how two key stages in women's lives maternity and old age are narrated and defined in fictions and autobiographical writings by contemporary French and francophone women Through close readings of Maryse Condé Hélène Cixous Zahia Rahmani Linda L Pierrette Fleutieux and Michèle Sarde among others these essays examine related topics such as dispossession female friendship and women's relationships with their mothers By adopting a broad synthetic approach to these two distinct and defining stages in women's lives this volume elucidates how these significant transitional moments set the stage for women's evolving definitions and interrogations of their identities and roles
