Bitesized Bits On Common Sense Management:

BITE SIZED BITS FOR COMMON SENSE MANAGEMENT GERARD ASSAY,2012-11-15 Communication is not always through sound or language Much can be said with gestures and movement of eyes In fact more often than not it is the body language that says more than words Now discover all the finer points and the nuances of body language in this masterly work How does a thumb gesture display dominance superiority and aggression How does dilation of eyes send a romantic signal What does a sideways glance indicate Given these incredible insights the book can prove to be of immense use for professionals like advocates doctors policemen judges salesmen politicians judges executives bureaucrats and customers etc in short people who are essentially in public dealing But then it is for all a true guide for analysing behaviour and attitudes

topics This book is required reading for anyone who wants to play the corporate game and win   *The Professional Business Video-Conferencing Etiquette Handbook & Guide* Gerard Assey,2020-09-05 The COVID 19 pandemic has undoubtedly pushed organizations into rethinking ways and means to continue to operate their businesses especially with the restrictions on safe distancing The world over is adjusting to COVID 19 with social distancing orders having compelled people to find alternatives to face to face meetings As a result video conferencing solutions have never been more popular In order to conduct business without disruption professionals have now turned to video conferencing to stay connected with their team members and customers With the need to social distancing and working remotely video conferencing has provided a more personalized approach It serves as the closest alternative to a face to face meeting by providing a forum for managers and leadership to stay in touch with their team members just as if they are face to face by addressing queries concerns and other issues on the spot The video conferencing services have seen such a huge surge in popularity and usage recently as the deadly corona virus is pushing more people into remote work environments People are also using it for everything not just business from family time to gathers to lunchtime hangouts with friends and so forth So love them or hate them meetings are a part of almost every job whether you re working remotely or working in an office Since meetings are here to stay despite the restrictions on safe distancing effective communication will all the more be the key during this trying time and outside of it to keep businesses running smoothly Proper communication plays a critical role in keeping global employees connected as well as staying in contact with customers who reside in different locations This is where the subject of the right etiquette required during video conferencing will play a key role enabling you and your team to stand out from the rest Just as how there are norms and etiquette required for any face to face meeting video conferencing too has a set of guidelines that if followed will ensure the meeting is productive and effective Good video conferencing etiquette is really just common courtesy and respect for the people in your meeting while creating an environment with the least amount of disruption And as with all virtual communication tools we need to ensure that meetings are professional efficient and productive The usual principles of polite behavior required with any meeting apply for video conferencing too but the key is to understand how the use or misuse of technology can effect these meetings The ideal video conference should get as close as possible to the dynamics of a real face to face meeting from the participants point of view and for that the role of everyone in the meeting not just the chairperson or host is to ensure that the system is not filtering out critical interactions allowing discourtesy to sneak in There s just no substitute for good manners in all of our daily interactions and good manners are appreciated more than ever in workplace meetings This is especially true during online video conferences and meetings Whether you a Head in a Corporate a Professor or Lecturer in a College or Teacher in a School or an Interviewer recruiting candidates or just someone demonstrating and selling a product or service with so much of a shift happening today to online platforms I am confident that this little book The Professional Business Video Conferencing Etiquette Handbook Guide will address most of the above

stated issues and challenges enabling you and your team to project the right positive impression and build on your organization or institutions credibility and thus be able to have that competitive advantage over others
