Biting Through Five Years In Afghanistan:

Biting Through John Ratcliffe, 2014 John Ratcliffe is a quiet man not the type of person who stands out in a crowd or draws attention to himself But scratch the surface and you will find a person who has lived anything but a normal life Once belonging to a group of highly trained soldiers Ratcliffe left the Australian military to pursue a career in Melbourne practising alternative medicine Years later he was called to Afghanistan for a short assignment as a security contractor He planned to be back in Australia after a few weeks Five years later he finally returned home *Biting Through* is the story of what happened in those five years during one man's descent into the behind the headlines reality of the war in Afghanistan Thrust into a world of terrible danger Ratcliffe encountered human traffickers drugs lords and corrupt officials while the international community looked on and went about its business He tried to find a way to make a difference to those whose lives he touched all the while negotiating minefields of dishonesty only to be betrayed at the final hurdle and incarcerated in a medieval Afghan hellhole awaiting the death penalty *Biting Through* is the true account of John Ratcliffe's experiences from the streets of Kabul to the fighting in the south of Afghanistan It is a story about the people he met the friends he made and the lives he saved A testimony to the brutal realities of one of the longest wars in modern history which was replete with hideous waste and relentless corruption it is a unique work written by a man of remarkable courage and fortitude **A Year in the Middle East** Daniel Carleton Gajdusek, 1991 *The EU's Afghan Police Mission* Great Britain: Parliament: House of Lords: European Union Committee, 2011-02-16 This report finds that the EU's Police Mission in Afghanistan risks failing in an area where the EU should be showing leadership The Committee found that the Afghan National Police force is in a dire state due to high attrition and illiteracy rates and corruption The mission must pay greater attention to the most basic of policing skills not least reading and writing if it is to succeed The EU is undertaking a vital task in Afghanistan but it must address the reasons why the mission is failing before it is too late Reasons include too few staff the small target of 400 people has never been met demonstrating lack of EU commitment and meaning that the mission cannot cover many important parts of the country the EU and NATO are not working together properly insufficient attention has been paid to the Afghan judiciary where there are problems of capacity and corruption levels which risk making police reform unproductive and seriously limiting prosecution levels The Committee is also concerned that the timetable for building up Afghanistan's ability to police itself does not coincide with the departure of foreign combat troops **The Afghanistan Freedom Support Act of 2002** United States. Congress. House.
