this thing Start a record label I must have been drunk Roger Shepherd was working in a Christchurch record shop when he realised the local bands he loved needed someone to make their records Flying Nun was born Those records and the bands that created them The Chills The Clean Chris Knox and the Tall Dwarfs The Verlaines Sneaky Feelings The Bats Straitjacket Fits and many more went on to define an era and create what became known as the Dunedin Sound In truth it was less a unified sound than a spirit of adventure and independence that characterised the Flying Nun ethos In this long awaited memoir label founder Roger Shepherd describes the idealism and passion that drove the project in the first place the hard realities of the music industry and the constant tension between art and commerce Filled with revealing anecdote and insight this is the definitive insider history of the one of the most innovative and original record labels of the modern era Surely the label with the highest quality output per capita in pop history Guardian UK Something inexplicably special happened in the Southern Hemisphere a quarter of a century or so ago the ripples still rumbling and without it all the music you love today would sound ever so slightly and indefinably different British comedian Stewart Lee *The Story of My Life* Helen Keller,1921 **My Life** Marc Chagall,1960 Completed by Marc Chagall 1887 1985 in 1922 this lyrical evocative and unique book is a key work to understanding the life and art of this creative genius who has come to be known as the Father of Surrealism His deep roots in Jewish tradition religious and secular are reflected in these recollections of his poverty stricken youth in White Russia to his involvement in the Paris art world prior to World War I and back again to Russia until his decision in 1923 to finally return to Paris Belongs unmistakably to the world of his paintings it flickers with sharp responses and vivid phrases New Statesman **The story of my life, by H.
