Black Cougar Curse:

Black Cougar Curse Tess Mackall, Natalie Dae, 2013-03-01 Deep in the mountain wilderness Lucia Chavez searches for closure to her father's death and the mythical black cougar he sought. Drop dead sexy Cherokee Indian guide Sam Starr knows more than he's telling. After he saves Lucia from being swept away in a mudslide, the bath they both need turns steamy. Indeed, Sam and Lucia are living proof that near-death experiences can bring two people closer together; they can't keep their hands off each other. Amidst danger and mystery, Sam and Lucia explore the lust that burns between them. If their desire gets any stronger, it could bring down the mountains. Ancient secrets hold the key to their unbridled sexual need. Was their passion written in the stars? One man. One woman. A curse that binds them and could tear them apart. [A Cursed Bloodline](#) Cecy Robson, 2014-11-18 The Weird Girls return in another edge of your seat novel from Cecy Robson. Just when Celia thinks the supernatural world can't turn deadlier, a new rival emerges, proving just how dangerous a power hungry werewolf can be. Since being cursed with unique abilities, Celia and her three sisters have fought the most bloodthirsty preternaturals in the Lake Tahoe region. But Celia's greatest threat is someone she would have never suspected: Anara, a werewolf Elder who has allowed his hatred for Celia to spiral out of control. In a play for dominance, Anara tortures Celia and gives her an ultimatum: sever her mate bond with pureblood werewolf Aric, or Anara will kill everyone she loves. From the instant they met, Celia and Aric have shared an attraction that cannot be tamed. So keeping Aric away is impossible, and Aric would sooner die than allow anyone to hurt the woman he loves. Misha, master vampire and Celia's sworn protector, also finds his way into the chaos, seeking blood from those who have harmed her. Now Celia and her sisters are caught in the middle of a war driven by lust, fueled by hatred, and destined to end in tragedy. For Anara is a force to be reckoned with, and he will not succumb without robbing Celia of those who hold her heart. Praise for *A Cursed Bloodline*: Brace yourself, Cecy fans! *A Cursed Bloodline* will take you for an emotional roller coaster ride. *A Cursed Bloodline* is one of my Top Picks of the year. Under the Covers: A fun and fascinating series. That's What I'm Talking About: Cecy Robson makes you feel as though you are fighting alongside the sisters as they try to save the world. Valley Girl Gone Country: The Weird Girls series is hands down one of my favorite series over all genres. My ParaHangover: Did you really feel the need to put me through the emotional wringer? Oh, who am I kidding? I freaking enjoyed the hell out of it. Christy's Love of Books: Powerful, fast-paced. *A Cursed Bloodline* will make your heart race. Caffeinated Book Reviewer: As always, Cecy's writing is top notch. The Bookaholic Cat: I would give this book a million stars if I could, but I will have to settle with five stars. The Hopeless Reader: Praise for the Weird Girls series. One of my favorite books series so much action, so much violence, and oh, the lust radiating off of our heroes. I definitely recommend this series for lovers of all things paranormal and awesome. USA Today: With Robson's edgy, witty, and modern style of storytelling, the reader will be drawn deep into this quirky paranormal world. Strong pacing, constant action, and distinctive, appealing characters, including a gutsy heroine, will no doubt keep you invested. RT Book Reviews: A healthy dose of humor, a heaping

dash of the supernatural and a pinch of mystery all laced with a heavy dollop of action Robson knows how to combine all the best ingredients to keep her readers hooked and begging for another hit Fresh Fiction Includes a special message from the editor as well as an excerpt from another Loveswept title Missing Trust gigi,2020-12-21 Home to many people before us the land has a history all its own The trials and tribulations suffered by the occupants of the ground that we temporarily call our own is forever etched into that history What secrets does the land hold The Jackson family is about to find out It is 1831 when Andrew and Mahalia Jackson and their six children homestead the land that lies north of Wildcat Creek Twenty years have passed since the Myaamia tribe called this place their home After they build a cabin and barn near the woods the family hears strange noises at night Andrew tries to pass it off as the wind or animals but Mahalia fears the forest is haunted and believes her daughter Lucinda is cursed As a big black cat watches over her domain from high in the trees as her father had asked of the Great Mysterious the Jackson family soon discovers that no one owns the ground forever The curse is as real as the spirits who remain As time passes how many other families will make the same discovery Missing Trust is a tale of the land that overlooks Wildcat Creek the curse of an old Indian and the families who attempt to carve out a life despite the devastating events that befall them **Cougar Dawn** Jon Sharpe,1993 Skye Fargo is prepared for trouble when he rides into the Idaho mountains in search of a mining king s missing son but he is stunned when a trail of dead bodies leads him to the door of a ravishing young woman living wild in the woods **Cursed Souls** K.A.
