Behind the Lines Jaroslav Hašek ,2016-08-01 The collection of short stories entitled Behind the Lines Bulguma and Other Stories draws on Hašek's experience from revolutionary Russia In a manner similar to that employed in his caricatures of the pre war monarchy he satirically captures events of the Bolshevik revolution from the perspective of a Red commissar in a combination of grotesque humor and sarcasm Historical events serve merely as part of the historical mystification Hašek presents them as he perceived them as a man and participant in historical events He depicts them primarily as simple and human pushing his critical view into the background On the border of a comic exaggeration and a realistic depiction an amusing story about a forgotten Tartar town of Bugulma unfolds featuring the Soviet commander of the Tver Revolutionary Regiment drunk Yerokhimov and Comrade Gašek the Commanding Officer of Bugulma Employing humor and exaggeration Hašek demonstrates the zealotry of the revolutionary period as well as the stupidity and simple human insecurity of authoritarians The collection of short stories Behind the Lines also includes other sketches by Hašek written at the same time
