CCNA Routing and Switching Practice and Study Guide is designed with dozens of exercises to help you learn the concepts and configurations crucial to your success with the Interconnecting Cisco Networking Devices Part 2 ICND2 200 101 exam. The author has mapped the chapters of this book to the last two Cisco Networking Academy courses in the CCNA Routing and Switching curricula: Scaling Networks and Connecting Networks. These courses cover the objectives of the Cisco Certified Networking Associate CCNA Routing and Switching certification. Getting your CCNA Routing and Switching certification means that you have the knowledge and skills required to successfully install, configure, operate, and troubleshoot a medium-sized routed and switched network. As a Cisco Networking Academy student or someone taking CCNA-related classes from professional training organizations or college and university-level networking courses, you will gain a detailed understanding of routing by successfully completing all the exercises in this book. Each chapter is designed with a variety of exercises, activities, and scenarios to help you: Review vocabulary, Strengthen troubleshooting skills, Boost configuration skills, Reinforce concepts, Research and analyze topics. *31 Days Before Your CCNA Routing and Switching Exam* Allan Johnson, 2014-04-18

31 Days Before Your CCNA Routing and Switching Exam offers you a personable and practical way to understand the certification process, commit to taking the 200 101 Interconnecting Cisco Networking Devices Part 2 ICND2 certification exam, and finish your preparation using a variety of Primary and Supplemental study resources. The ICND2 is the second exam associated with the CCNA Routing and Switching certification. This exam tests your knowledge and skills required to successfully install, operate, and troubleshoot a small to medium-size enterprise branch network. Sign up for the ICND2 exam and use the book's day-by-day guide and checklist to organize, prepare, and review. Each day in this guide breaks down an exam topic into a manageable bit of information to review using short summaries. A Study Resources section provides you with a quick reference for locating more in-depth treatment of a day's topics within the Primary and Supplemental resources. The features of the book empower you to fit exam preparation into a busy schedule: Visual calendar summarizing each day's study topic, Checklist providing advice for preparation activities leading up to the exam, Description of the 200 101 ICND2 exam organization and sign-up process, Strategies from the author to be mentally, organizationally, and physically prepared for exam day, Conversational tone which makes your study time more enjoyable.
