Connemara A Little Gaelic Kingdom:

Connemara Tim Robinson, 2011-09 Connemara A Little Gaelic Kingdom is the triumphant conclusion to Tim Robinson's extraordinary Connemara trilogy which Robert Macfarlane has called one of the most remarkable non-fiction projects undertaken in English. Robinson writes about the people, places and history of south Connemara, one of Ireland's last Gaelic-speaking enclaves, with the encyclopaedic knowledge of a cartographer and the grace of a born writer. From the man who has been praised in the highest terms by Joseph O'Connor, Robinson writes with passion, grace and scholarly scruple, but also with extraordinary beauty. John Burnside, one of the finest of contemporary prose stylists, and Giles Foden, an indubitable classic among many others, call this one of the publishing events of 2011 and the conclusion of one of the great literary projects of our time. A Little Gaelic Kingdom Tim Robinson, 2024-12-03

A masterpiece of travel and topographical writing and an incomparable and enthralling meditation on times past. John Banville: 'He knows this world as no one else does and writes about it with awe and love, but also with measured grace, an artist's eye and a scientist's sensibility.' Colm Tóibín: 'In its landscape, history, language and folklore, the Connemara region on Ireland's wild and windswept West Coast is a dramatic and breathtaking place. From its fabled villages, rugged seaside cliffs, bogs, lakes, coral beaches, stark mountains and ever-meandering country roads lined with stone walls, this rugged kingdom surprises and inspires, and nobody knows this more than artist, cartographer and celebrated writer Tim Robinson. In *A Little Gaelic Kingdom*, Robinson brings this enchanting Irish peninsula rapturously to life. Setting off, he embarks on a walking journey traversing and exploring the natural world while revealing the history, mystery, language and people that have indelibly shaped this much mythologized countryside. From the glacial valley of Maam to the fishing villages and rocky shorelines of the region's archipelago, Robinson carries encyclopedic knowledge, great curiosity and a deep love of place and its inhabitants with him on this engaging and evocative journey. Beautifully crafted and intimately rendered, *A Little Gaelic Kingdom* is a timeless and revelatory work of travel and nature writing. Unfolding Irish landscapes Derek Gladwin, Christine Cusick, 2016-01-01

This is the first scholarly edited collection devoted to the work of the Anglo-Irish writer and cartographer Tim Robinson. In Search of Grace Peter Reason, 2017-10-27 To recover from ecological disaster, we humans must transform the sense of who we are in relation to the Earth. *In Search of Grace* is the story of an ecological pilgrimage undertaken by the author in his small yacht *Coral* from the south of England and round the west coast of Ireland to the far north of Scotland. It explores themes of pilgrimage, the overall pattern of separation from the everyday, venturing forth and returning home. It tells of meeting wildlife, visiting sacred places, confronting danger, expanding and deepening the experience of time, of silence and of fragility. Humble Works for Humble People Noel Wilkins, 2017-11-01 This fully illustrated book explores the history of the fishery piers and harbours of Galway and north Clare. A testament to these structures as feats of engineering, it is also a riveting account of the human aspect that shadowed their construction: a beautiful rendering of the maritime activities that gave life to the Wild Atlantic Way kelp

making fishing turf distribution and sea borne trade Humble Works for Humble People nurtures the retelling of human stories surrounding the piers giving voice to the unacknowledged legacy of the lives that were their making The Office of Public Works the Congested Districts Board foreign financial support humanitarian efforts controversies and conflict these are all features of the piers and harbours development and preservation Humble Works for Humble People is a vital contribution to the maritime history of Galway Clare and of Ireland in general an overlooked but culturally rich facet of Irish history

Connemara Tim Robinson, 2008 The first volume of Tim Robinson's Connemara trilogy *Listening to the Wind* covered Robinson's home territory of Roundstone and environs The Last Pool of Darkness moves into wilder territory the fjords cliffs hills and islands of north west Connemara a place that Wittgenstein who lived on his own in a cottage there for a time called the last pool of darkness in Europe Again combining his polymathic knowledge of Connemara's natural history human history folklore and topography with his own unsurpassable artistry as a writer Tim Robinson has produced another classic

The Last Pool of Darkness Tim Robinson, 2023-11-14 In the second volume of his beloved Connemara trilogy cartographer Tim Robinson continues to unearth the stories of this rich landscape in Ireland weaving placelore etymology geology and the meeting of sea and shore into the region's mythologies From the northern fiord waters of Killary Harbour to the southern sea washed islands of Slyne Head western Connemara awes with a rugged landscape sloping cliffs towering mountains and the ever present thudding of the Atlantic And here within the earth resides the record of the past stones with ash grey centers reveal volcanic episodes a series of mysteriously arranged quartz boulders reminds us of the ancient secrets held in the soil and a long disappeared lake filled in by sand lies beneath a golf course waiting to be rediscovered Mapping more than geography Tim Robinson charts Connemara's deep relationship to those who have inhabited its surface The Last Pool of Darkness brims with tales of ghosts centuries old land disputes periods of religious and political upheavals philosophers entranced by the isolating landscape poets mathematicians artists fantastical smugglers the discovery of botanical rarities trickster fairies and the delicate balance between humans and nature Not merely a certain tract of the Earth's surface but an accumulation of connotations Robinson's Connemara offers readers an opportunity to travel across space and time A work of great precision and tenderness The Last Pool of Darkness is an enchanting addition to the Seedbank series and next chapter in one of the most remarkable non fiction projects undertaken in English Robert Macfarlane
