Conflict Resolution in South Caucasus Esmira Jafarova, 2014-12-18 This book aims to highlight the efforts by the international community to facilitate solutions to the conflicts in the South Caucasus and focuses particularly on the existing challenges to these efforts The South Caucasus region has long been roiled by the lingering ethno national conflicts Nagorno Karabakh conflict between Armenia and Azerbaijan Abkhazia and South Ossetia conflicts within Georgia that continue to disrupt security and stability in the entire region Throughout different phases of the conflicts the international community has shown varying degrees of activism in conflict resolution For clarity purposes it should be emphasized that the notion of international community will be confined to the relevant organizations that have palpable share in the process the UN the OSCE and the EU and the states that have the biggest impact on conflict resolution and the leverage on the conflicting parties Russia Turkey and the United States *Historical Dictionary of Azerbaijan* Zaur Gasimov, 2017-12-20 Azerbaijan a sovereign republic as broad as Austria and located on the Caspian Sea s western shore and sharing common borders with Russian Federation Georgia Armenia Turkey and Iran Having enjoyed a short lived independence as intermezzo between 1918 and 1920 Azerbaijan was a part of Russian Empire and then one of the 15 Soviet Socialist Republics for almost two centuries While its history political and economic culture of 19th and particularly of 20th century are intertwined with that of Russia Azerbaijan shares common religious language literary and folk traditions with Turkey neighboring Georgia and Armenia and particularly with Iran It has a predominantly Shiite Muslim population and it s been independent since 1991 This new edition of *Historical Dictionary of Azerbaijan* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Azerbaijan *Different Shades of the Past* Mateusz Kamionka, Przemysław Łukasik, 2023-01-30 In his book *21 Lessons for the 21st Century* the historian Yuval Noah Harari wrote that man had the possibility to conquer the world precisely because he could create fictional stories and believe in them People created more and more complex stories about themselves that served and continue to serve according to the professor of the University of Jerusalem building unity social harmony and gaining power A narrative about past in which memory fragmentation and victimisation play a large role may be a temptation to instrumentalise the past This is especially true in relation to the events of the twentieth century when a series of bloody war conflicts occurred As shown in the following post conference volume today the wars of the past World War I and World War II Indian Pakistani war and current conflicts Russo Ukrainian war war in Sudan or Nagorno Karabakh are also a catalyst for the process of instrumentalisation This process can be analysed both at the level of the evolution of the language of conflict including the erosion of the values of democratic dialogue and the use of specific means of commemorating the past monuments museums the Internet **Azerbaijan Since Independence** Svante E.
