*Approaching Biblical Archaeology* Anthony J. Frendo, 2021-08-12 Anthony J Frendo introduces biblical students and scholars alike to the discipline of archaeology by explaining how the minds of professional archaeologists work explaining what archaeologists seek how they go about doing so and how they interpret their data Frendo shows those engaged in biblical scholarship how they can properly integrate biblical research with archaeological discoveries in a way that allows the bible and archaeology to be viewed and kept as distinct disciplines the respective results of which where relevant may be integrated in productive discussion Frendo also examines how the archaeology of the ancient Near East particularly that of the southern Levant has an essential bearing on how scholars can better appreciate the text of the bible including its religious message Frendo examines such matters as artefacts stratigraphy and chronology and archaeological reasoning He also demonstrates that whilst generally it is archaeology that casts light on the biblical text at points biblical interpretation can help archaeologists to understand certain data

**Functions of Psalms and Prayers in the Late Second Temple Period** Mika S. Pajunen, Jeremy Penner, 2017-07-24 When thinking about psalms and prayers in the Second Temple period the Masoretic Psalter and its reception is often given priority because of modern academic or theological interests This emphasis tends to skew our understanding of the corpus we call psalms and prayers and often dampens or mutes the lived context within which these texts were composed and used This volume is comprised of a collection of articles that explore the diverse settings in which psalms and prayers were used and circulated in the late Second Temple period The book includes essays by experts in the Hebrew bible the Dead Sea scrolls Apocrypha and Pseudepigrapha and the New Testament in which a wide variety of topics approaches and methods both old and new are utilized to explore the many functions of psalms and prayers in the late Second Temple period Included in this volume are essays examining how psalms were read as prophecy as history as liturgy and as literature A variety methodologies are employed and include the use of cognitive sciences and poetics linguistic theory psychology redaction criticism and literary theory

**Space and Place as a Topic for Public Theologies** Thomas Wabel, Katharina Eberlein-Braun, Torben

Stamer,2022 Public theologies reflect on the contextuality of the Christian religion Much of this contextuality is dependent on place place as the culture and the society in which religions are situated place as the position from where a theologian speaks place as the biographical contingencies that shape people s lives Moreover public theologies ask for the contribution of Christian ethics to society thereby shaping the social cultural and religious space to which they belong The contributions in this volume analyse the categories of space and place in order to deepen the understanding of contextuality thereby taking up some of the challenges presented by the so called spatial turn **From Author to Copyist** Cana Werman,2015-10-16
