Conor McPherson Plays One Nhb Modern Plays:

Plays Conor McPherson, 2013 This volume of Conor McPherson's collected plays covering a decade of writing celebrates a fascination with the uncanny which has led him to be described as quite possibly the finest playwright of his generation New York Times In Shining City a man seeks help from a counsellor claiming to have seen the ghost of his dead wife The play premiered at the Royal Court London is up there with The Weir moving compassionate ingenious and absolutely gripping Daily Telegraph The Seafarer premiered at the National Theatre before going on to become a Tony Award winning Broadway hit tells the story of an extended Christmas Eve card game but one played for the highest stakes possible McPherson proves yet again he is both a born yarn spinner and an acute analyst of the melancholy Irish manhood Guardian Set in the big house in 1820s rural Ireland The Veil is McPherson's first period play Seventeen year old Hannah is to be married off in order to settle the debts of the crumbling estate But when Reverend Berkeley arrives determined to orchestrate a sance chaos is unleashed A cracking fireside tale of haunting and decay The Times The Birds hauntingly adapted from the short story by Daphne du Maurier is deliciously chilling claustrophobic questioning frightening and with a twist Irish Independent It is published here for the first time as is The Dance of Death a new version of Strindberg's classic which premiered at the Trafalgar Studios in London A spectacularly bleak yet curiously bracing drama that often makes you laugh out loud Daily Telegraph Completing the volume is a Foreword by the author

The Weir Conor McPherson, 2013 A classic chiller by a great Irish playwright published alongside its revival at the Donmar Warehouse In Brendan's pub isolated above the town the men are gathering for their daily pint The arrival of a stranger in their midst a woman spurs them to impress her with stories They are stories of souls past and of spirits very much present But one story is more chilling and more real than any of the men could have foreseen On its premi re in 1997 The Weir won the Evening Standard Critics Circle and Olivier award for Best New Play and established McPherson's place as one of our greatest living playwrights Josie Rourke's production marks the first major British revival of this undoubted modern classic
