Consolations. [A religious tract.] .1868 Consolation Michael Redhill, 2006 A widow and her daughter's fianc take a hotel room overlooking a Toronto excavation site awaiting the discovery of the physical evidence that will vindicate her husband's ridiculed belief that a sunken ship from 1856 is now buried under a landfill site The Consolations of **Philosophy** Alain De Botton, 2000 From the author of How Proust Can Change Your Life a delightful truly consoling work that proves that philosophy can be a supreme source of help for our most painful everyday problems Perhaps only Alain de Botton could uncover practical wisdom in the writings of some of the greatest thinkers of all time But uncover he does and the result is an unexpected book of both solace and humor Dividing his work into six sections each highlighting a different psychic ailment and the appropriate philosopher de Botton offers consolation for unpopularity from Socrates for not having enough money from Epicurus for frustration from Seneca for inadequacy from Montaigne and for a broken heart from Schopenhauer the darkest of thinkers and yet paradoxically the most cheering Consolation for envy and of course the final word on consolation comes from Nietzsche Not everything which makes us feel better is good for us This wonderfully engaging book will however make us feel better in a good way with equal measures of wit and wisdom Fitzgerald and the Consolation of Fiction Christopher Knight, 2016-09-13 Christopher J Knight's Penelope Fitzgerald and the Consolation of Fiction is a study of the British author Penelope Fitzgerald 1916 2000 attending to her nine novels especially as viewed through the lens both of late style she published her first novel The Golden Child at age sixty and in her words of consolation that is for doubts and fears as well as for naked human loss As in Shakespeare's late religiously inflected romances the two concerns coincide and Fitzgerald's ostensible comedies are marked by a clear experience of the tragic and the palpable sense of a world that verges on the edge of indifference to human loss Yet Fitzgerald her late age pessimism notwithstanding seeks with the aid of her own religious understandings in each of her novels to wrestle meaning consolation and even comedy from circumstances not noticeably propitious Or as she herself memorably spoke of her own deepest convictions I can only say that however close I ve come by this time to nothingness I have remained true to my deepest convictions I mean to the courage of those who are born to be defeated the weaknesses of the strong and the tragedy of misunderstandings and missed opportunities which I have done my best to treat as a comedy for otherwise how can we manage to bear it The recipient of Britain's Booker Prize and America's National Book Critics Circle Award Penelope Fitzgerald's reputation as a novelist and author more generally has grown since her death significantly to the point that she is now widely judged one of Britain's finest writers comparable in worth to the likes of Jane Austen George Eliot and Virginia The Academy and Literature ,1904 Lord Lytton's Novels: & 13] My novel Edward Bulwer Lytton Baron Woolf Main Currents in Nineteenth Century Literature Georg Brandes, 1906 "My Novel" Lytton,1888 Lytton, 1875 Novels of Sir Edward Bulwer Lytton: My novel Edward Bulwer Lytton Baron Lytton, 1892 The Works of Edward
