*The Humanities Pandemic* Margaret Topping, 2023-07-25 This book explores how the Humanities can play an essential services role in addressing global challenges such as the Covid pandemic In arguing for their contribution alongside that of the Health Sciences it calls for a new critical engagement honest and self reflective from Humanities scholars with the question of how to overcome a fundamental challenge facing universities globally finding a common language and set of cultural assumptions between disciplines as the basis for communication The book looks at the nature of the challenges that can beset collaboration across disciplines and indeed across sectors notably between researchers and the general public and argues for a new Translational Humanities in both the sense of an applied Humanities and a Humanities that can translate itself across disciplines and sectors Crucially too it suggests that it is not narratives such as a pandemic novel or contagion film that successfully engage with contentious debates about the challenges of Covid but rather critically distant texts and thematic contexts that typically place the self in the position of other like travel narratives This book sits at a previously unconsidered intersection between debates around interdisciplinary collaboration and communication theories of intercultural contact and encounter and the role of the Humanities in tackling global issues **The Cinema of Steven**

**Soderbergh** Andrew deWaard, R. Colin Tait, 2013-04-30 La 4e de couv indique The industry s only director cinematographer screenwriter producer actor editor Steven Soderbergh is contemporary Hollywood s most innovative and prolific filmmaker A Palme d or and Academy Award winner he has directed nearly thirty films including political provocations digital experiments esoteric documentaries and global blockbusters as well as atypical genre films This volume considers its slippery subject from a variety of perspectives analysing Soderbergh as an expressive auteur of art cinema as well as genre fare a politically motivated guerrilla filmmaker and Hollywood insider Preoccupied with the detective s role to investigate truth as well as the criminal s alternative value system his films tackle social justice in a corporate world Soderbergh s career demonstrates the richness of contemporary American cinema this volume gives his complex oeuvre the in depth critical analysis it deserves

The Universal Adversary Mark Neocleous, 2016-02-12 The history of bourgeois modernity is a history of the Enemy This book is a radical exploration of an Enemy that has recently emerged from within security documents released by the US security state the Universal Adversary The Universal Adversary is now central to emergency planning in general and more specifically to security preparations for future attacks But an attack from who or what This book the first to appear on the topic shows how the concept of the Universal Adversary draws on several key figures in the history of ideas said to pose a threat to state power and capital accumulation Within the Universal Adversary there lies the problem not just of the terrorist but more generally of the subversive and what the emergency planning documents refer to as the disgruntled worker This reference reveals the conjoined power of the contemporary mobilisation of security and the defence of capital But it also reveals much more Taking the figure of the disgruntled worker as its starting point the book introduces some of this worker s

close cousins figures often regarded not simply as a threat to security and capital but as nothing less than the Enemy of all Mankind the Zombie the Devil and the Pirate In situating these figures of enmity within debates about security and capital the book engages an extraordinary variety of issues that now comprise a contemporary politics of security From crowd control to contagion from the witch hunt to the apocalypse from pigs to intellectual property this book provides a compelling analysis of the ways in which security and capital are organized against nothing less than the Enemies of all Mankind
