

AUTO INSURANCE CLAIM PROCESS

7 steps to take when filing an auto insurance claim

If you need to file an auto insurance claim, here's a guide to take you through the process step-by-step:

- 1 Briefly tell us what happened.**
As soon as you can, provide basic information like your name, address and policy number. If others were involved in an accident with you, provide their names, addresses, telephone numbers and insurance providers and policy numbers. Describe what happened, when it happened and what damage or injuries occurred.
- 2 Confirm the facts of your claim.**
You'll be assigned a claims representative based on the severity of the damage sustained to your vehicle and whether there was anyone injured in the accident. Your representative will confirm your coverage, deductible and facts of the loss.
- 3 Get connected with a claims adjuster.**
A claims adjuster will contact you within one business day. If your auto insurance claim requires more in-depth analysis, an adjuster with specialized expertise may contact you.
- 4 Send us photos, a police report and medical authorization forms.**
If you have before and after photos, we'll ask you to send both. Police reports should include details regarding any damage and are generally ready within a few days of an accident. Request a copy from your police department and send it to us once it's available.
- 5 Choose a repair facility.**
You can send your vehicle to any repair facility. If you don't have one in mind, let us know. We may be able to help you find one. Your vehicle repairs will begin as soon as your auto insurance claim has been processed.
- 6 Use your rental insurance coverage.**
If you chose rental coverage when you purchased your policy, you'll be able to rent a vehicle to use while yours is being repaired. We'll talk with you about the best way to handle the rental car bills. Some rental car companies will bill us directly.
- 7 Get back on the road.**
We'll work hard to process your claim as quickly as possible.

While your auto insurance claim is being processed, feel free to contact us any time. And, be sure to ask questions whenever they arise.
