

Technical Service Bulletins and Recalls

Access bulletins specifically for your car and link then to the appropriate affected system or component. In addition, we categorize them into basic headings so you can review them and insure that you know if and how you are affected.

- Identify potential safety hazards and include the procedures necessary to repair them.
- Identify manufacturing defects and part failures found in the field. Many of these will be repaired by the dealer at no charge to the vehicle owner.
- Identify hard to fix problems that have been found by mechanics and brought to the manufacturers attention. Many times these bulletins cover hard to fix problems and causes that require the car to be brought back to the dealer or shop many time.
