[Tucson, Arizona, 85737]

Dear [Mr. Rivera],

As a skilled and established Automotive Mechanic with comprehensive experience in handling tools and equipment to repair automobiles adhering to the state and federal regulations, I am confident that I am the individual you are looking for at your job posting at [Google for jobs].

My background lies in my [bachelor's degree] in [automotive technology] at [Yeshiva University] and [nine (9)] years of direct experience in overseeing troubleshooting, alteration, and inspection projects for the client's vehicles ensuring that their set requirements are met within the deadline. I have worked for [Pep Boys Auto], providing high-quality service to an average of [150] customers monthly. I performed services such as repairs and maintenance to vehicle systems and parts, including HVAC, engines, lubes, transmissions, and more. My career continued at [Goodyear] and [Tire Discounters], where I was recognized as an established Automotive Mechanic as I lower the chance of vehicular accidents because of the brakes services I offered in my client.

With my passion and dedication to providing service while adhering to the state regulation to optimize safety, I believe that I would be a great addition to the mechanic team at your company, [Trakcraft]. I look forward to discussing further with you at your most convenient time as to what I can do to your company.

Respectfully,

[Doris Kossin]
