Beyond Surrender Joan Beaumont, Lachlan Grant, Aaron Pegram, 2015-06-01 Over the twentieth century 35 000 Australians suffered as prisoners of war in conflicts ranging from World War I to Korea What was the reality of their captivity Beyond Surrender presents for the first time the diversity of the Australian behind the wire experience dissecting fact from fiction and myth from reality Beyond Surrender examines the impact that different types of camps commandants and locations had on surrender survival prison life and the prospects of escape It considers the attitudes of Australian governments to those who had surrendered the work of relief agencies and the agony of families waiting at home for their husbands brothers and fathers to be freed Covering several conflicts and diverse sites of captivity Beyond Surrender showcases new research from Kate Ariotti Joan Beaumont Lachlan Grant Jeffrey Grey Karl James Jennifer Lawless Peter Monteath Melanie Oppenheimer Aaron Pegram Lucy Robertson Seumas Spark and Christina Twomey **Beyond Algorithms: The Human Side of Artificial Intelligence** Grace Harris, 2024-12-20 Journey into the uncharted realm where artificial intelligence AI intertwines with the complexities of human nature This illuminating book invites you to explore the profound implications of AI beyond its technical foundations Delve into the ethical quandaries biases and potential pitfalls that arise as AI becomes an increasingly ubiquitous force in our lives Discover the crucial role of human values in shaping the development and deployment of AI ensuring it aligns with our aspirations for a just and equitable society Unravel the intricate interplay between AI and human cognition communication and decision making Explore the ways in which AI can enhance our capabilities while also posing challenges to our understanding of ourselves and our place in the world This thought provoking and accessible guide empowers you to engage in informed discussions about the future of AI It provides essential insights for anyone interested in the intersection of technology humanity and the profound choices we face in the digital age **Boundary Objects and Beyond** Geoffrey C. Bowker, Stefan Timmermans, Adele E. Clarke, Ellen Balka, 2016-02-26 The multifaceted work of the late Susan Leigh Star is explored through a selection of her writings and essays by friends and colleagues Susan Leigh Star 1954 2010 was one of the most influential science studies scholars of the last several decades In her work Star highlighted the messy practices of discovering science asking hard questions about the marginalizing as well as the liberating powers of science and technology In the landmark work Sorting Things Out Star and Geoffrey Bowker revealed the social and ethical histories that are deeply embedded in classification systems Star s most celebrated concept was the notion of boundary objects representational forms things or theories that can be shared between different communities with each holding its own understanding of the representation Unfortunately Leigh was unable to complete a work on the poetics of infrastructure that further developed the full range of her work This volume collects articles by Star that set out some of her thinking on boundary objects marginality and infrastructure together with essays by friends and colleagues from a range of disciplines from philosophy of science to organization science that testify to the wide

ranging influence of Star's work Contributors Ellen Balka Eevi E Beck Dick Boland Geoffrey C Bowker Janet Ceja Alcal Adele E Clarke Les Gasser James R Griesemer Gail Hornstein John Leslie King Cheris Kramarae Maria Puig de la Bellacasa Karen Ruhleder Kjeld Schmidt Brian Cantwell Smith Susan Leigh Star Anselm L Strauss Jane Summerton Stefan Timmermans Helen Verran Nina Wakeford Jutta Weber **Corporate Wars** Peter Campbell, Adamant Aggressors Bruce D. Thatcher, 2011-06-25 ADAMANT AGGRESSORS is a practical guide to help scholars political scientists policy makers and laymen understand and apply specific lessons that history has for the present time It takes a business case look at five adamant aggressors Mehmed the Conqueror James K Polk Adolph Hitler Chaim Weizmann David Ben Gurion Joseph Stalin and what they teach about recognizing and dealing with adamant aggressors who may be threatening America today While these lessons may not ensure that the best choices will be made today understanding them will help readers to reject demonstrated bad choices and thus more likely arrive at better choices This unique approach allows readers to quickly peruse a 2-3 page Executive Summary at the beginning of each case study or to examine a thoroughly researched and documented narrative of the aggressor's action and the reactions of his targets Analysis then details how each aggressor is identified as adamant and might have been while there was time to react effectively and how targets violated or sometimes conformed to guidelines for dealing with adamant aggressors The final chapter draws from the five cases to validate the lessons for how to recognize and deal with adamant aggressors and urges application by America's leaders USA Best Books 2011 awards Finalist in the Current Events Political Social category *Just Methods* Alison M. Jaggar, 2015-11-17 The supplemented edition of this important reader includes a substantive new introduction by the author on the changing nature of feminist methodology It takes into account the implications of a major new study included for the first time in this book on poverty and gender in equality and it includes an article discussing the ways in which this study was conducted using the research methods put forward by the first edition This article begins by explaining why a new and better poverty metric is needed and why developing such a metric requires an alternative methodological approach inspired by feminism Feminist research is a growing tradition of inquiry that aims to produce knowledge not biased by inequitable assumptions about gender and related categories such as class race religion sexuality and nationality Just Methods is designed for upper level undergraduate and graduate students in a range of disciplines Rather than being concerned with particular techniques of inquiry the interdisciplinary readings in this book address broad questions of research methodology They are designed to help researchers think critically and constructively about the epistemological and ethical implications of various approaches to research selection and research design evidence gathering techniques and publication of results A key theme running through the readings is the complex interrelationship between social power and inequality on the one hand and the production of knowledge on the other A second and related theme is the inseparability of research projects and methodologies from ethical and political values **The Political Economy of Transnational Tax Reform** W. Elliot

Brownlee, Eisaku Ide, Yasunori Fukagai, 2016-04-28 This volume of essays explores the history of the US tax mission to Japan during the occupation following World War II Under General MacArthur economist Carl S Shoup led the mission with the charge of framing a tax system for Japan designed to strengthen democracy and accelerate economic recovery The volume examines the sources conduct and effects of the mission and situates the mission within the history of international financial and fiscal reform The book begins by establishing the context of progressive social investigations of taxation including Shoup's earlier tax missions to France and Cuba It then goes on to explore the Japanese background to the Shoup mission and the process by which American and Japanese tax experts shaped their recommendations The book then assesses and explains the mission's accomplishments in the context of the political economies of the United States and Japan It concludes by analyzing the global implications of the mission which became iconic among international tax reformers **The International Transportworkers Federation, 1914-1945** Bob Reinalda, 1997 Traces the history of the International Transportworkers Federation ITF from 1896 to 1945 focusing on the period of leadership under Edo Fimmen 1919 1942 Includes a chapter on the membership organization and functions of the ITF in 1996 and provides short biographies of Edo Fimmen and other ITF officials **Miscellaneous Bulletins on the Currency Question in the United States**, 1895 **Problems and Principles of School and Society** Frank Corliss Wegener, 1953 **A history of modern psychology** Duane P.
