Effective July 1, 2013

- **THE PATIENT'S MEDICAL RECORD MUST CONTAIN** sufficient documentation of the patient's medical condition to substantiate the necessity for the type and quantity of items ordered.
- A Physician, Physician Assistant (PA), Nurse Practitioner (NP), or Clinical Nurse Specialist (CNS) must have a Face-to-Face evaluation with the beneficiary prior to the written DME order and document this Face-to-Face evaluation in the patient's medical records.

- Medicare beneficiaries discharged from a hospital do not need to receive a separate Face-to-Face evaluation. - The Face-to-Face evaluation must occur during the six months prior to the written order for each item.

A detailed written order for the item must be received before the delivery of the item can take place and must include minimally the following information:

- | | |
|--------------------|----------------------------------|
| ① Prescriber's NPI | ② Signature of prescriber |
| ③ Beneficiary name | ④ Date of prescriber's Signature |
