Activate Your Money Janine Firpo, 2021-04-19

Educate yourself about finance and socially conscious investing with a woman-centered approach. Activate Your Money provides the foundational support women need to talk to each other about their money, invest to grow their wealth, and to take the actions required to shift their assets into alignment with their values. Written for smart, savvy women who want to feel financially empowered, Activate Your Money starts where other personal finance books leave off. It delivers the depth of information you need to make informed investment decisions across your entire portfolio. Starting with checking and savings accounts and proceeding asset class by asset class, this book provides you with core investment knowledge as well as concrete examples about how and where you can invest your money in alignment with your values. You don't have to do it alone. As women, our strength is in relationships, and this book will help you use that strength to attain better financial outcomes for yourself and your family. Activate Your Money will help you find communities of support and position you to share your knowledge with other women and enable the next generation of smart, confident, values-aligned investors. Activate Your Money also includes a companion website that contains downloadable tools you can use to take action and a curriculum that guides women through the process of starting and running their own values-aligned investment clubs. Step up your relationship with money and recognize the power you have to change the world through your investment decisions. Demystify financial lingo, learn investment strategies, and acquire tools to help you grow your wealth. Explore values-aligned investment options, asset class by asset class, and make informed decisions about where to put your money. Break the taboo on discussing money with partners, advisors, friends, and daughters. Unlike any other investing book out there, Activate Your Money offers expert guidance, a uniquely woman-centered approach, and a focus on doing good while doing well. Whether you are just starting out or are already a seasoned investor,
