Inquire, Investigate, Integrate! Kaye Hagler, 2013-08 Inquire, investigate, integrate, and inspire. In this book, Kaye Hagler presents thematic units that touch on core content in science with a common thread of literacy throughout. The integrated units not only engage students in content such as landforms, forces, and motion, weather, life cycles, and food chains, but they also include reading and writing activities that engage students and connect content to literacy. Options for differentiation allow for all students to access important concepts across the content areas. Correlations to the NEXT Generation Science Standards and Common Core State Standards are also included for each activity.
