Devereaux, 2014-10-17 Standardized tests demand Standard English but secondary students grades 6 12 come to school speaking a variety of dialects and languages thus creating a conflict between students language of nurture and the expectations of school The purpose of this text is twofold to explain and illustrate how language varieties function in the classroom and in students lives and to detail linguistically informed instructional strategies

Through anecdotes from the classroom lesson plans and accessible narrative it introduces theory and clearly builds the bridge to daily classroom practices that respect students language varieties and use those varieties as strengths upon which secondary English teachers can build The book explains how to teach about language variations and ideologies in the classroom uses typically taught texts as models for exploring how power society and identity interact with language literature and students lives connects the Common Core State Standards to the concepts presented and offers strategies to teach the sense and structure of Standard English and other language variations so that all students may add Standard English to their linguistic toolboxes *Critical Approaches to Teaching the High School Novel* Crag Hill, Victor Malo-Juvera, 2018-10-25 This edited collection will turn a critical spotlight on the set of texts that has constituted the high school canon of literature for decades By employing a set of fresh vibrant critical lenses such as youth studies and disabilities studies that are often unfamiliar to advanced students and scholars of secondary English this book provides divergent approaches to traditional readings and pedagogical practices surrounding these familiar works By introducing and applying these interpretive frames to the field of secondary English education this book demonstrates that there is more to say about these texts ways to productively problematize them and to reconfigure how they may be read and used in the classroom *Children and Trauma* Brianne Kramer, Jennifer McKenzie, 2022-04-20 A 2023 SPE Outstanding Book Honorable Mention According to the American Psychological Association APA 2015 trauma is an emotional response to a terrible event which can lead to difficulties with emotional regulation social relationships and the development of physical symptoms Traumatic experiences may include physical or sexual abuse neglect experiencing or witnessing violence war suicides and disasters Because of the prevalence of students with traumatic experiences in K 12 schools development and use of trauma informed practices TIP is currently increasing in educational spaces across the United States as educators and others who work with children become more aware of how socio emotional development and exposure to trauma places children on a pathway through adulthood Because of growth in these areas it is important for educators and others who work with children to have a resource to consult *Children and Trauma Critical Perspectives for Meeting the Needs of Diverse Educational Communities* provides teachers administrators and others involved in education with an understanding of trauma informed practices and explains how they can be used in the classroom Additionally school districts could utilize this text to implement professional development particularly if they are considering creating a districtwide trauma informed system Perfect for courses such as Trauma Informed Educational Practice Psychology Educational Psychology Foundations of Education Pedagogy Methods of Emotional or Behavioral Disorders Teaching Methods Diversity in Education Social Work Human Development *How to Teach Students Who Don't Look Like You* Bonnie M. Davis, 2012-07-18 Engage diverse learners in your classroom with culturally responsive instruction *How to Teach Students Who Don't Look like You* helps educators recognize the impact that culture has on the learning process The term diverse learners encompasses a variety of student groups including homeless

children migrant children English language learners children experiencing gender identity issues children with learning disabilities and children with special needs This revised second edition reflects the latest trends in education and includes new coverage of standards based culturally responsive lesson planning and instruction differentiated instruction RTI and the Common Core State Standards Bonnie M Davis helps all educators Tailor instruction to their own unique student population Reflect on their own cultures and how this shapes their views of the world Cultivate a deeper understanding of race and racism in the U S Create culturally responsive instruction Understand culture and how it affects learning How to Teach Students Who Don t Look like You provides crucial strategies to assist educators in addressing the needs of diverse learners and closing the achievement gap This book fires up educators by speaking from the soul to reach the heart from the research to engage the mind and from the skillful hand to build the necessary expertise Peggy Dickerson Professional Service Provider Region XIII Texas Education Service Center Austin TX The vignettes and classroom situations help the reader understand how race plays out in our society and in our classrooms Dr Davis takes on a very volatile topic and is able to engage the reader without offending The examples vignettes cases and stories will hook the readers just as they did me Once I began reading the book I could not put it down Ava Maria Whittemore Minority Achievement Coordinator Frederick County Public Schools MD
