*The Really Useful Grandparents' Book* Eleo Gordon, Tony Lacey, 2010-04-06 Flaps. Are you eager to spend time with your grandchildren but anxious about what to do with them? *The Really Useful Grandparents Book* is the perfect solution. It's a book that you can share with your grandchildren to discover the activities that will bring you closer and entertain you both all afternoon. Packed with information on the kinds of things a child will want to learn about from the world's most dangerous animals to Mount Everest, from Alexander the Great to Henry VIII, this book will make learning fun and engaging. Is your grandchild more interested in hands-on activities? Learn how to play games and pick up hobbies that will have them all tucked out by the time their mom comes to pick them up at night. Maybe you'll plant a garden or play rugby, learn how to cross stitch or play chess, write a rap or a poem, make a curiosity box, build a campfire, create a special playlist on your iPod, and many other fun things which will truly enhance your relationship with your grandchild and leave both of you the richer for it.

TONY LACEY has worked as an editor at Penguin for thirty years. He has two grown-up children as well as two granddaughters and a grandson. ELEO GORDON also works in publishing. Her parents lived abroad and as a child she spent most of her holidays with her grandparents. Her grandfather was American and her grandmother Cuban and they met in New York and later settled in England. Back Cover: All grandparents are eager to spend meaningful time with their grandchildren but so often they are held back by the generation gap and aren't sure what they can do together that will be fun for everyone. Now grandparents can stop being anxious about planning special time with their grandchildren and get involved the way they've always wanted. Whether they're looking for an activity or some impressive trivia, it's all right here in this book. Some of the great ideas include Learning and performing card tricks, Starting a stamp collection, Making a scrapbook, Camping out in the backyard, Playing chess, Making Origami, Having a Treasure Hunt, and Making pancakes or baking meringues. *The Really Useful Grandparents Book* includes simple directions and illustrations for all these activities plus a lot more. And on top of all the games and projects, it includes fun and educational conversation starters ranging from every possible natural disaster to the gods and goddesses of Ancient Greece. This is the perfect book for any grandparent who knows just how special it is to bond with his or her grandchild and is looking for ways to enhance and improve that relationship for years to come.
