Communication N4 Paper 2 2013:

Media in Process Sai Felicia Krishna-Hensel, 2016-09-19 The post communist development of media systems has been uneven in the countries of the region Television and newspapers together with the emergence of social media have had great influence on the political debate in various countries Ownership of the media has been a factor in many instances The integration of traditionally isolated Central Eastern Europe into larger worldwide trends has fundamentally changed the way we look at the media in this region This volume proposes to address the transition of the media and communication industries in the contemporary period The contributions discuss among other things the obstacles that still remain for the media to play an effective watchdog role in the new democracies and whether the advent of the Internet and social media has helped or hindered the transformation to a powerful independent media The discussion further examines whether advertising agencies have targeted post communist citizens differently than those in Western European countries and if the media markets in the post communist region are fundamentally different than in Western Europe and North America A second focus of the volume is the media coverage of social issues like domestic violence which is intended to draw attention to these issues and influence policy in a more aware and open society This establishes the trend of post communist media following the example of western media practice The implications of the Central European media transformation for the newly transforming media markets in the post Soviet space suggest a new phase in the development of the medium The impact of global influences on regional expression is an important aspect of the political and social changes that are underway This volume makes an important interdisciplinary contribution in examining the development of the media

IEEE Workshop on Signal Processing Advances in Wireless Communications ,2003 Brand Co-Creation Tourism Research Raouf Ahmad Rather,2023-10-13 Responding to the rapidly changing business landscape including advances in social media and information technology and the COVID 19 pandemic where customers visitors or tourists have become more connected accessible and informed than ever before many brands and firms are investing in brand management and brand co creation This new volume provides an enlightening perspective on brand co creation brand management and branding through contemporary conceptual discussions and empirical research studies from thought leaders Providing a step by step guide to the brand co creation and branding process in the hospitality and tourism industry the volume identifies cutting edge measurements strategies and metrics for capturing and measuring brand co creation and highlights best practices in implementing brand management marketing strategies Starting with a basic understanding of brand value co creation the volume then explores deeper by defining the concept describing the ways to measure it and providing several strategies to capitalize on it The authors emphasize the interrelationship of these concepts and how they manage brand co creation The book illustrates the concepts with examples from around the globe Topics cover the impact of social media on brand co creation during the COVID 19 outbreak in the tourism industry co branding emerging tourist destinations analysis of the content of hotel websites creating better customer value brand co creation in e sports gaming events post COVID 19 educational tourism and more The volume also presents a chapter on the state of the art role of augmented reality and virtual reality in improving the customer experience A synthesis of a decade long effort in brand co creation the book will be valuable to academics practitioners consultants destination management organizations DMOs and managers looking to improve brand co creation pre during and post pandemics *Resilience in the Pacific and the Caribbean* Simon Hollis,2020-10-26 This book critically examines the global diffusion and local reception of resilience through the implementation of Disaster Risk Reduction DRR programmes in Pacific and Caribbean island states

Global efforts to strengthen local disaster resilience capacities have become a staple of international development activity in recent decades yet the successful implementation of DRR projects designed to strengthen local resilience remains elusive While there are pockets of success a gap remains between global expectations and local realities Through a critical realist study of global and local worldviews of resilience in the Pacific and Caribbean islands this book argues that the global advocacy of DRR remains inadequate because of a failure to prioritise a person orientated ethics in its conceptualization of disaster resilience This regional comparison provides a valuable lens to understand the underlying social structures that makes resilience possible and the extent to which local governments communities and persons interpret and modify their behaviour on risk when faced with the global message on resilience This book will be of much interest to students of resilience risk management development studies and area studies Robots That Love Judith A. Markowitz, 2025-10-30 In a world of increasingly sophisticated AI the relationship between creator and creation has shifted Robot lovers coexist with humans and the boundaries of emotion and consciousness are blurred This book considers the fundamental challenge of imbuing robots with the capacity to experience love delving into the consequences of loving robots that can only feign reciprocation and philosophical questions about sentience and consciousness Other forms of artificial lovers are also discussed ranging from ChatGPT and Samantha from the 2013 film *Her* to a variety of sex dolls monsters golems and romanceable characters in dating simulation games Such entities encompass an array of sexual and gender identities as well as gender biases involved in creating the perfect artificial companion and developing AI systems These biases often perpetuated by deep learning algorithms underscore the need for critical reflection amid the evolution of AI **Index to IEEE Publications** Institute of Electrical and Electronics Engineers, 1980 Issues for 1973 cover the entire IEEE technical literature **IEICE Transactions on Electronics** , 2008 **Catalog of the Avery Memorial Architectural Library of Columbia University** Avery Library, 1958 *Government Reports Announcements* , 1967-05 *U.S. Government Research & Development Reports* , 1967 Current Index to Journals in Education , 1994 Bibliography of Scientific and Industrial Reports , 1967-05 **Bibliographic Guide to Business and Economics** New York Public Library. Communication N4 Paper 2 2013: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
