The Wizard of Odds Charley Rosen, 2002-12-03 In The Wizard of Odds renowned and best selling basketball writer Charley Rosen brings us for the first time the full life story of Jack Molinas one of the greatest basketball players of his era a man whose gambling addiction and hubris caused his ultimate demise Drawing on numerous previously unavailable first person accounts including Jack Molinas s own journal and trial transcripts Rosen presents the true saga of a man who perhaps better than anyone around him understood the weaknesses of the system in which he lived so much so that he convinced himself that he could manipulate that system to his advantage with total impunity in a life s journey that took him from NBA play to the Mafia and the pornographic film industry and to an ultimate tragic destiny **The City of Devi** Manil Suri, 2025-04-25 From the author of The Death of Vishnu a big pyrotechnic ambitious ingenious Wall Street Journal novel Mumbai has emptied under the threat of imminent nuclear annihilation gangs of marauding Hindu and Muslim thugs rove the desolate streets yet Sarita can think of only one thing buying the last pomegranate that remains in perhaps the entire city She is convinced that the fruit holds the key to reuniting her with her physicist husband Karun who has been mysteriously missing for more than a fortnight Searching for his own lover in the midst of this turmoil is Jaz cocky handsome and glib The Jazter as he calls himself is Muslim but his true religion has steadfastly been sex with men Dodging danger at every step both he and Sarita are inexorably drawn to Devi ma the patron goddess who has reputedly appeared in person to save her city What they find will alter their lives more fundamentally than any apocalypse to come A wickedly comedic and fearlessly provocative portrayal of individuals balancing on the sharp edge of fate The City of Devi brilliantly upends assumptions of politics religion and sex and offers a terrifying yet exuberant glimpse of the end of the world **An American Summer** Alex Kotlowitz, 2020-03-31 2020 J ANTHONY LUKAS PRIZE WINNER From the bestselling author of There Are No Children Here a richly textured heartrending portrait of love and death in Chicago s most turbulent neighborhoods The numbers are staggering over the past twenty years in Chicago 14 033 people have been killed and another roughly 60 000 wounded by gunfire What does that do to the spirit of individuals and community Drawing on his decades of experience Alex Kotlowitz set out to chronicle one summer in the city writing about individuals who have emerged from the violence and whose stories capture the capacity and the breaking point of the human heart and soul The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America Among others we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he s done a devoted school social worker struggling with her favorite student who refuses to give evidence in the shooting death of his best friend the witness to a wrongful police shooting who can t shake what he has seen and an aging former gang leader who builds a place of refuge for himself and his friends Applying the close up empathic reporting that made There Are No Children Here a modern classic Kotlowitz offers a piercingly honest portrait of a city in turmoil These sketches of those left standing will get
