Chesterton, 2014-11-01 Gilbert Keith Chesterton 1874 1936 was an acclaimed author poet philosopher and Christian apologist *Chesterton Day by Day* has a passage from Chesterton for each day of the year and holidays      **Celebrating Middle-Earth** John G. West, Jr., 2002 An examination of the writings of J R R Tolkien as a defense of the literary philosophical political and religious foundations of Western society Half t p      *A chesterton calendar* G. K. Chesterton, 2023-02-22 Mere light sophistry is the thing that I happen to despise most of all things and it is perhaps a wholesome fact that this is the thing of which I am generally accused Orthodoxy NEW YEAR S DAY The object of a New Year is not that we should have a new year It is that we should have a new soul and a new nose new feet a new backbone new ears and new eyes Unless a particular man made New Year resolutions he would make no resolutions Unless a man starts afresh about things he will certainly do nothing effective Unless a man starts on the strange assumption that he has never existed before it is quite certain that he will never exist afterwards Unless a man be born again he shall by no means enter into the Kingdom of Heaven      *A Year with G. K. Chesterton* Gilbert Keith Chesterton, Thomas Nelson, Kevin Belmonte, 2012 A true anthology the best of Chesterton s many works are presented in concise memorable selections From New Year s Day to New Year s Eve each page contains a passage of Scripture and myriad moments for reflection appreciation and laughter      *The G.K. K. Chesterton* Gilbert Chesterton, 2018-07-11 Excerpts NEW YEAR S DAY THE object of a New Year is not that we should have a new year It is that we should have a new soul and a new nose new feet a new backbone new ears and new eyes Unless a particular man made New Year resolutions he would make no resolutions Unless a man starts afresh about things he will certainly do nothing effective Unless a man starts on the strange assumption that he has never existed before it is quite certain that he will never exist afterwards Unless a man be born again he shall by no means enter into the Kingdom of Heaven JANUARY 3rd COURAGE is almost a contradiction in terms It means a strong desire to live taking the form of a readiness to die He that will lose his life the same shall save it is not a piece of mysticism for saints and heroes It is a piece of

everyday advice for sailors or mountaineers It might be printed in an Alpine guide or a drill book This paradox is the whole principle of courage even of quite earthly or quite brutal courage A man cut off by the sea may save his life if he will risk it on the precipice He can only get away from death by continually stepping within an inch of it A soldier surrounded by enemies if he is to cut his way out needs to combine a strong desire for living with a strange carelessness about dying He must not merely cling to life for then he will be a coward and will not escape He must not merely wait for death for then he will be a suicide and will not escape He must seek his life in a spirit of furious indifference to it he must desire life like water and yet drink death like wine No philosopher I fancy has ever expressed this romantic riddle with adequate lucidity and I certainly have not done so But Christianity has done more it has marked the limits of it in the awful graves of the suicide and the hero showing the distance between him who dies for the sake of living and him who dies for the sake of dying And it has held up ever since above the European lances the banner of the mystery of chivalry the Christian courage which is a disdain of death not the Chinese courage which is a disdain of life Orthodoxy FEBRUARY 21st IF Americans can be divorced for incompatibility of temper I cannot conceive why they are not all divorced I have known many happy marriages but never a compatible one The whole aim of marriage is to fight through and survive the instant when incompatibility becomes unquestionable For a man and a woman as such are incompatible What s Wrong with the World JULY 11th THE Church is not a thing like the Athenaeum Club he cried If the Athenaeum Club lost all its members the Athenaeum Club would dissolve and cease to exist But when we belong to the Church we belong to something which is outside all of us which is outside everything you talk about outside the Cardinals and the Pope They belong to it but it does not belong to them If we all fell dead suddenly the Church would still somehow exist in God The Ball and the Cross SEPTEMBER 9th CHATTERING finch and water fly Are not merrier than I Here among the flowers I lie Laughing everlastingly No I may not tell the best Surely friends I might have guessed Death was but the good King s jest It was hid so carefully The Skeleton Wit and Wisdom for every day of the year     The Open Court ,1926     *The Unity of Faith* Geoffrey Rhodes,1912     **The English Catalogue of Books ...** Sampson Low,1912     The Open Court Paul Carus,1926 vols 46 47 have special title New Orient Society monograph     *Modern Religious Verse and Prose* ,1925     **To-day** ,1916     **The Bookman** ,1906     *The Book Monthly* James Milne,1911
