## 1 What Makes a Good Friend?

Friends are people we care about and enjoy spending time with. A good friend is someone who is kind, helpful, and fun to be around. Friends listen to each other, share, and try to make each other feel better.

Being a good friend means using kind words. If your friend is sad, you can say, "I'm here for you." If your friend does something good, you can say, "Good job!" These words show that you care.

Good friends also help each other. If your friend drops something, you can help pick it up. If your friend is having trouble with schoolwork, you can help them understand it.

Sometimes friends disagree. That's okay! Good friends talk it out and try to understand each other. They say what they feel without hurt feelings and listen when someone says sorry.

You can make new friends by smiling, saying hello, and asking someone to play. Being friendly helps others feel welcome.

Remember, friendship is like a plant—it grows when you take care of it. Be kind, be helpful, and be a good listener. That's how you become a good friend!

1. What are some things good friends say to each other?
2. How can you help a friend who is sad?
